

RIM FIRE BLEND - 16 OZ. RIM FIRE BLEND

[Gun Cleaning & Chemicals](#) > [Solvents & Degreasers](#) > [Bore Solvents](#)

Sophisticated Solvents That Take The Chore Out Of Bore Cleaning

Blended with lead and carbon removing agents to make quick work of fouled rimfire bores. Strips caked-on bullet lubricant and heavy leading from match barrels, as well as cowboy action guns that shoot a lot of soft, cast lead bullets. Leaves behind a protective, corrosion inhibiting film.

RIM FIRE BLEND 16 OZ Safety Instruction Guide

Introduction

Thank you for choosing RIM FIRE BLEND 16 OZ. This product is designed to effectively clean fouled rimfire bores, removing caked-on bullet lubricant and heavy leading from various firearms. To ensure your safety and the safe use of this product, please read and follow the instructions and guidelines provided in this document.

General Safety Guidelines

- Always use RIM FIRE BLEND in a well-ventilated area to minimize inhalation of fumes.
- Keep this product out of reach of children and pets to prevent accidental exposure.
- Avoid contact with skin and eyes. Use protective gloves and goggles if necessary.
- Do not ingest this product. It is intended for use on firearms only.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Check for any specific safety warnings on the product label before use.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - This product contains lead and other chemicals that may pose health risks if not handled properly.
- **Avoiding Hazards:**
 - Do not use near open flames or sparks.
 - Ensure that the area is free from any sources of ignition.
 - If you experience any adverse reactions, such as dizziness or respiratory issues, cease use immediately and seek fresh air.

Instructions for Installation and Usage

- **Preparation:**
 - Shake the bottle well before use to ensure proper mixing of ingredients.
- **Application:**
 - Apply RIM FIRE BLEND directly into the bore of the firearm using a cleaning rod or patch.
 - Allow the product to sit for a few minutes to penetrate and loosen fouling.
- **Cleaning:**
 - After the product has had time to work, use a clean patch to wipe out the bore.
 - Repeat the application if necessary until the bore is clean.
- **Post-Cleaning:**
 - After cleaning, ensure that the bore is dry and free of any residue.
 - Apply a protective lubricant if necessary to prevent corrosion.

Disposal Instructions

- Dispose of any unused product or empty containers according to local regulations.
- Do not pour the product down drains or dispose of it in regular household waste.
- Contact your local waste management facility for specific disposal guidelines regarding hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of RIM FIRE BLEND 16 OZ, please refer to your retailer or visit the manufacturer's website for additional support.

By following these safety instructions, you can ensure a safe and effective cleaning experience with RIM FIRE

BLEND. Thank you for your attention to these important guidelines.
