## Outstanding Quality Reamers By Dave Manson Help You Produce Accurate Chambers

Engineered and ground by one of the most respected names in firearms reamers, Dave Manson. Superb quality reamers made to SAAMI specifications, ground from M7 steel to cut precise chambers capable of outstanding accuracy. Finish Chambering Reamers feature integral throater and solid, fixed pilots. Throating Reamers let you customize a chambering job for non-standard bullets or additional freebore length. Available as finish reamers unless listed otherwise.

# Safety Instruction Guide for RIMLESS RIFLE CARTRIDGES MANSON PRECISION RIMLESS RIFLE CARTRIDGE, 7X57 ACKLEY IMP. 40/ FINISHER

## Introduction

Thank you for choosing the RIMLESS RIFLE CARTRIDGE, 7X57 ACKLEY IMP. 40/ FINISHER by Manson Precision. This product is engineered for precision and accuracy in firearms applications. To ensure your safety and the safety of others, please read and follow the guidelines outlined in this instruction manual.

## General Safety Guidelines

- Always treat every firearm and ammunition as if they are loaded.
- Store cartridges in a cool, dry place away from direct sunlight and moisture.
- Keep cartridges out of reach of children and unauthorized users.
- Inspect cartridges before use; do not use damaged or corroded cartridges.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.
- Use only the specified reamer for the intended cartridge type to avoid malfunctions or accidents.
- Ensure that you are familiar with the operation of your firearm before using this product.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when handling firearms and ammunition.
- Do not exceed the recommended load specifications for the cartridge.
- Be aware of your surroundings and ensure that you have a safe backdrop when shooting.
- Avoid using this product in wet or damp conditions.
- Do not attempt to modify the cartridge or reamer; any alterations can lead to unsafe conditions.
- If you experience any malfunctions while using the cartridge, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and safety equipment.

### 2. Installation:

- Select the appropriate reamer for your cartridge.
- Install the reamer according to the manufacturer's instructions for your specific firearm model.
- Ensure that the reamer is securely fastened and properly aligned.

### 3. Usage:

- Follow the manufacturer's guidelines for chambering and firing the cartridge.
- Monitor for any signs of malfunction or irregular performance during use.
- After firing, inspect the firearm and cartridge for any signs of damage or wear.

## **Disposal Instructions**

- Dispose of unused or damaged cartridges in accordance with local regulations.
- Do not throw cartridges in the trash. Instead, contact your local waste management authority for proper disposal methods.
- Ensure that all spent cartridges are disposed of safely to prevent injury or environmental harm.

## **Contact Information for Further Support**

For any safety inquiries or support related to this product, please contact the manufacturer or your local firearms dealer. It is essential to have a point of contact for any questions or concerns regarding the use and safety of this product.

By following these guidelines, you can help ensure a safe and enjoyable experience with the RIMLESS RIFLE CARTRIDGE, 7X57 ACKLEY IMP. 40/ FINISHER. Always prioritize safety and adhere to all recommended practices when handling firearms and ammunition.
