POLY BENCH BOX COVERS & DIVIDERS

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the POLY BENCH BOX COVERS & DIVIDERS. This product is designed to provide protection for your Poly Bench Boxes and to help you organize your items effectively. This safety instruction guide is intended to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the covers and dividers as intended to prevent accidents or injuries.
- Ensure that the product is suitable for the items you plan to store.
- Keep the product out of reach of young children to prevent choking hazards.
- Regularly inspect the covers and dividers for any signs of wear or damage before use.
- Do not use the product if any parts are damaged or missing.

Specific Safety Precautions for Use

- Avoid placing heavy or sharp objects in the Poly Bench Boxes that could damage the covers or dividers.
- Do not expose the covers to extreme temperatures or direct sunlight for prolonged periods, as this may cause deterioration of the material.
- Ensure that dividers are securely placed in the boxes to prevent them from shifting or falling out during use.
- Do not attempt to modify or alter the covers or dividers in any way.

Instructions for Installation and Usage

1. Installation of Covers:

- Align the clear cover with the top of the Poly Bench Box.
- Gently press down until the cover snaps securely into place. Ensure that all edges are fitted properly.
- Check that the cover is securely attached before use.

2. Installation of Dividers:

- Open the Poly Bench Box and position the dividers according to your desired compartment layout.
- Insert the dividers into the designated slots inside the box.
- Ensure that the dividers are firmly seated in place to avoid movement during use.

3. Usage:

- Place items in the Poly Bench Box, ensuring that they do not exceed the height of the cover when closed.
- When not in use, keep the covers on the boxes to protect the contents from dust and debris.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not incinerate the covers or dividers, as they are made from polypropylene and may release harmful substances when burned.

- Consider recycling the product if local facilities are available.
