# Safety Instruction Guide for POLY BENCH BOXES POLY BENCH BOX, SMALL, 3 PACK

## Introduction

Thank you for choosing the POLY BENCH BOXES POLY BENCH BOX, SMALL, 3 PACK. These tough, high-density polypropylene storage boxes are designed for the safe and convenient storage of disassembled guns, parts, tools, and other items. This guide provides essential safety information and instructions to ensure the safe use of this product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always ensure the boxes are used for their intended purpose to avoid accidents and injuries.
- Keep the boxes out of reach of children to prevent misuse or accidents.
- Regularly inspect the boxes for any signs of damage or wear. Do not use if damaged.
- Ensure that the boxes are stacked securely to avoid tipping or falling.
- Report any unsafe conditions or incidents involving the product to the appropriate authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from sharp edges when opening or closing the boxes.
- Potential for tipping if stacked improperly.
- Risk of items falling out if boxes are overfilled or not closed properly.

### • Avoiding Hazards:

- Handle the boxes with care, especially when opening or closing.
- Do not exceed the recommended weight capacity for each box.
- Ensure that the boxes are placed on a flat and stable surface when in use.
- Avoid stacking boxes too high to prevent falling.

### • Age Specific Warnings:

- This product is not intended for children. Keep out of reach of minors.
- Use caution when allowing older children to handle the boxes, ensuring they understand safe handling practices.

## Instructions for Installation and Usage

### • Installation:

- No assembly required. Simply unpack the boxes and ensure they are clean and free of debris before use.

### • Usage:

- Use the boxes to store disassembled guns, parts, tools, or any other items as intended.
- When stacking, ensure the noslip stacking lip is engaged to prevent slipping.
- Close the boxes securely after use to prevent items from falling out.
- For maximum stability, place heavier items at the bottom of the stack.

## **Disposal Instructions**

- Dispose of the boxes responsibly at a recycling facility that accepts polypropylene materials.
- Do not incinerate the boxes as this may release harmful substances.
- Check local regulations for specific disposal guidelines related to plastic products.
