

SHOOTING RANGE BOX - UNIVERSAL RIFLE SHOOTING RANGE BOX 25" FOREST GREEN

[Gun Cleaning & Chemicals](#) > [Gun Cleaning Cradles](#)

On The Bench Or At The Range

Durable, polypropylene box stores and organizes all your gear, plus holds your shotguns and rifles during cleaning and minor gunsmithing. Two-piece design features a removal top box that can be carried separately; includes plenty of space for jags, brushes, patches and 20-round ammo boxes. Separate bottom box is deep enough to hold 100-round ammo boxes and most solvent containers. Removal gun forks with over-molded rubber hold guns firmly without damage. Three, convenient slots hold rifle, shotgun, and muzzleloader cleaning rods and keep them out of the way. Includes a convenient gauge for easy brush and jag diameter identification. Polypropylene construction is resistant to most solvents.

Specific Safety Precautions for Use

- Always ensure that firearms are unloaded before placing them in the Shooting Range Box.
- Do not exceed the weight capacity of the box when storing items.
- Use the gun forks as intended to avoid damaging your firearms.
- Keep cleaning solvents and chemicals away from children and pets.
- Ensure that the box is placed on a stable surface to prevent tipping or falling.
- Avoid exposing the Shooting Range Box to extreme temperatures or direct sunlight for prolonged periods.

Instructions for Installation and Usage

1. Unpacking the Product

- Carefully remove the Shooting Range Box from its packaging.
- Inspect all components to ensure they are intact and free from damage.

2. Setting Up the Box

- Place the Shooting Range Box on a flat, stable surface.
- Ensure that there is enough space around the box for easy access.

3. Storing Firearms and Gear

- Open the top section of the box to access the storage area.
- Place firearms in the provided gun forks, ensuring they are held securely.
- Use the bottom section for larger items such as 100round ammo boxes and solvent containers.
- Organize smaller items like jags, brushes, and patches in the top section.

4. Using the Gauge for Brushes and Jags

- Utilize the included gauge to identify the appropriate diameter for brushes and jags.
- This helps ensure you are using the correct size for your firearms.

5. Cleaning and Maintenance

- Regularly clean the Shooting Range Box with a damp cloth.

- Avoid using harsh chemicals that may damage the polypropylene material.
- Store the box in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the Shooting Range Box in accordance with local regulations for plastic materials.
- Do not incinerate or expose the product to extreme heat.
- If the product is damaged beyond repair, ensure that it is disposed of safely to prevent environmental harm.
