# Portable Rifle Maintenance Center Safety Instructions

## Introduction

Thank you for purchasing the MTM Portable Rifle Maintenance Center. This product is designed to provide a safe and convenient way to hold rifles and shotguns for cleaning and minor gunsmithing tasks. To ensure your safety and the longevity of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the Portable Rifle Maintenance Center in a wellventilated area.
- Keep the product out of reach of children and pets when not in use.
- Inspect the product for any damage before each use. Do not use if damaged.
- Ensure that all firearms are unloaded before placing them in the maintenance center.
- Avoid using the product near flammable materials.
- Follow all local laws and regulations regarding firearms and their maintenance.

## Specific Safety Precautions for Use

- **Handling Firearms:** Always treat firearms as if they are loaded. Use proper handling techniques to avoid accidental discharge.
- **Secure Storage:** Use the molded dust covers to keep your supplies secure and free from contaminants.
- **Personal Protective Equipment:** Consider wearing safety glasses and gloves when cleaning firearms to protect against harmful chemicals and debris.
- **Work Surface:** Ensure that the surface you are using the maintenance center on is stable and secure to prevent accidents.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the Portable Rifle Maintenance Center from the packaging. Ensure all parts are included.
2. **Assembly:**
  - Remove the padded forks from the base.
  - Store the forks in the base when not in use for easy transport.
3. **Using the Maintenance Center:**
  - Place the maintenance center on a flat, stable surface.
  - Insert the rifle or shotgun into the padded forks, ensuring it is securely held.
  - Perform cleaning or minor gunsmithing tasks as needed.
4. **PostUse Care:**
  - Remove the firearm from the maintenance center and store it safely according to local regulations.
  - Clean the maintenance center after use to remove any debris or cleaning agents.
  - Store the maintenance center in a dry place, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the Portable Rifle Maintenance Center responsibly. If it is no longer usable, consider recycling the polypropylene plastic where facilities exist.
- Follow local regulations for the disposal of plastic materials to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Portable Rifle Maintenance Center, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have your product details ready for any inquiries.

By following these guidelines, you can ensure safe and effective use of your Portable Rifle Maintenance Center while complying with the EU General Product Safety Regulation (GPSR). Thank you for prioritizing safety in your firearm maintenance activities.
