MTM GUNSMITH'S MAINTENANCE CENTER Safety Instruction Guide

Introduction

Thank you for choosing the MTM Gunsmith's Maintenance Center. This product is designed to assist you in cleaning and performing minor gunsmithing tasks on your rifles and shotguns. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used in a wellventilated area to avoid inhaling any harmful substances.
- Always keep the maintenance center out of reach of children and vulnerable individuals.
- Inspect the maintenance center for any signs of damage before use. Do not use if damaged.
- Use the product only for its intended purpose as described in this manual.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about any recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always secure firearms in the padded forks to prevent accidental movement.
- Do not attempt to clean or repair firearms while they are loaded.
- Avoid placing the maintenance center near heat sources or in direct sunlight.
- Wear protective eyewear when cleaning firearms to protect against debris.
- Ensure that all cleaning materials used are compatible with your firearms and are stored safely.
- Do not exceed the weight limit of the maintenance center as specified in the product specifications.

Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the maintenance center from its packaging. Ensure all parts are present and undamaged.
2. **Assembly:** Follow these steps for assembly:
 - Align the parts according to the instructions provided (if applicable).
 - Ensure all connections are secure before use.
3. **Placement:**
 - Place the maintenance center on a stable, flat surface.
 - Ensure there is adequate space around the maintenance center for safe operation.
4. **Using the Maintenance Center:**
 - Place your rifle or shotgun securely in the padded forks.
 - Ensure the firearm is unloaded and the safety is engaged before beginning any cleaning or minor gunsmithing tasks.
 - Use appropriate cleaning tools and materials as per the firearm manufacturer's guidelines.
5. **PostUse Care:**
 - After use, clean the maintenance center with a soft, damp cloth.
 - Store the maintenance center in a dry place away from children and pets.

Disposal Instructions

- Dispose of the maintenance center in accordance with local regulations for plastic products.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding safety or product use, please refer to the contact information provided with your purchase or consult the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with the MTM Gunsmith's Maintenance Center. Thank you for your attention to safety and proper use.
