Safety Instruction Guide for Brownells Polishing Gloves

Introduction

Thank you for choosing Brownells Polishing Gloves. These gloves are designed to help you keep your hands clean and free from fingerprints while polishing steel. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always inspect the gloves for any damage before use. Do not use if damaged.
- Ensure that the gloves fit properly to avoid slips and potential accidents.
- Keep the gloves away from heat sources and sharp objects to prevent damage.
- Do not use the gloves for tasks other than polishing, as they are specifically designed for this purpose.
- Store the gloves in a cool, dry place when not in use.
- If you experience any irritation or allergic reactions while using the gloves, discontinue use immediately and seek medical advice.

Specific Safety Precautions for Use

- These gloves are made from industrial cotton; ensure you are not allergic to cotton before use.
- The gloves are designed for adult use. Keep them out of reach of children and vulnerable individuals.
- Do not use the gloves in wet or damp conditions as this may compromise their effectiveness.
- Avoid using the gloves with chemicals or solvents that may degrade the fabric.
- Ensure that your hands are clean and dry before putting on the gloves to maintain their quality.

Instructions for Installation and Usage

1. Putting on the Gloves:

- Ensure your hands are clean and dry.
- Open the gloves and slide your hands into them, ensuring a snug fit.
- Adjust the stretch knit cuff to ensure it stays in place while you work.

2. Using the Gloves:

- Use the gloves while polishing to prevent fingerprints and keep your hands clean.
- Avoid touching sharp or abrasive surfaces that could tear the gloves.
- If the gloves become soiled, remove them and wash your hands before continuing.

3. Removing the Gloves:

- Carefully peel off the gloves from your hands.
- Avoid pulling on the fingers to prevent tearing.
- Dispose of the gloves if they are damaged or excessively soiled.

Disposal Instructions

- Dispose of the gloves in accordance with local waste disposal regulations.
- If the gloves are heavily soiled or damaged, consider disposing of them in a way that minimizes environmental impact.
- Do not incinerate the gloves as this may release harmful substances.

Contact Information for Further Support

For any inquiries regarding the safety of this product, please refer to the EUbased contact point provided by the manufacturer. You can also check for updates on product recalls and safety alerts through the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using Brownells Polishing Gloves!
