

# 45ACP STAINLESS STEEL 1911 GUNSMITH BARREL 5" RAMPED - NOWLIN 45ACP STAINLESS STEEL 1911 GUNSMITH BARREL 5" RAMPED

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

Triple heat treated, highest quality, super match-grade barrels deliver maximum accuracy. Groove and bore tolerances held to an amazing .0002" by electro-discharge cathode machining (ECM). Unique, pre-cut design of the top lugs requires only minor fitting to achieve maximum lug engagement. Rifling is ultra-smooth, uniform, and precise. Smoother bore boosts velocity with all barrel lengths. Angled edge on the driving band increases gas seal for reduced fouling with all types of bullets, plus longer barrel life. Short chambered, requires reaming to achieve correct headspace.

## Attributes

- Name: [NOWLIN 45ACP STAINLESS STEEL 1911 GUNSMITH BARREL 5" RAMPED](#)
- Manufacturer: [NOWLIN](#)
- Product no.: 654000076

# Safety Instruction Guide for 45ACP Stainless Steel 1911 Gunsmith Barrel

## Introduction

Thank you for choosing the 45ACP Stainless Steel 1911 Gunsmith Barrel. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the barrel and firearm out of reach of children and unauthorized users.
- Use the product only for its intended purpose and in accordance with the manufacturer's instructions.
- Regularly inspect the barrel for any signs of damage or wear before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to firearm malfunction.
- Use of incorrect ammunition may cause damage to the barrel and firearm.
- Failure to maintain proper headspace can result in dangerous firing conditions.

- **Avoiding Hazards:**

- Ensure that the barrel is fitted correctly and securely before use.
- Only use ammunition that is compatible with the 45ACP cartridge specifications.
- Regularly check and maintain the barrel to ensure optimal performance and safety.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that users are trained in the safe handling of firearms before use.

## Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barrel from the firearm according to the manufacturer's instructions.
3. Install the 45ACP Stainless Steel 1911 Gunsmith Barrel by aligning it with the slide and frame.
4. Check the fit of the barrel. Minor fitting may be required to achieve maximum lug engagement.
5. Reassemble the firearm and ensure that all parts are secure.

- **Usage:**

- Always wear appropriate eye and ear protection when firing.
- Ensure that the firing area is clear of unauthorized personnel.
- Follow all local laws and regulations regarding firearm use.
- After each use, clean the barrel to maintain performance and longevity.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of in regular household waste.
- Contact local authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 45ACP Stainless Steel 1911 Gunsmith Barrel, please consult the manufacturer's website or contact their customer service for assistance.

## **Conclusion**

Your safety is our priority. By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your new barrel. Thank you for your attention to these important safety instructions.
