# Safety Instruction Guide for 9MM Stainless Steel 1911 PreFit Match Grade Barrel 4.25" Ramped Nowlin

## Introduction

Thank you for choosing the 9MM Stainless Steel 1911 PreFit Match Grade Barrel. This guide provides essential safety information and instructions for the safe installation and use of your new barrel. Please read this guide carefully to ensure safe handling and operation.

## General Safety Guidelines

- Ensure that the barrel is compatible with your 1911 Auto before installation.
- Always handle firearms with care and follow standard safety practices.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Inspect the barrel for any damage or defects before installation. Do not use if damaged.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only specified ammunition (9 mm Luger) with this barrel.
- Ensure that the firearm is unloaded before beginning installation or maintenance.
- Follow all local laws and regulations regarding firearm modifications.
- Be aware of the potential hazards associated with firearms, including accidental discharge and misfires.
- If you are inexperienced or unsure about the installation process, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and components, including the barrel, bushing, link, and pin.

### 2. Installation Steps

- Make sure the firearm is completely unloaded.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Insert the prefitted Nowlin barrel into the slide. Ensure that the hood, top lugs, and bottom feet fit snugly.
- Install the stainless steel bushing onto the new barrel.
- Attach the barrel link and pin, ensuring they are secured properly.
- Check that all components are fitted correctly and that there is no excessive play.

### 3. Final Checks

- Once installed, visually inspect the barrel to ensure it is secure.
- Perform a function check to ensure the firearm operates correctly with the new barrel.
- If you notice any issues during the function check, consult a qualified gunsmith.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel becomes damaged beyond repair, consult your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For safety inquiries or support regarding your 9MM Stainless Steel 1911 PreFit Match Grade Barrel, please refer to the manufacturer's contact point or website for assistance.

By following these guidelines, you can ensure the safe use and installation of your new barrel. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
