

METALITE CLOTH ROLLS - NORTON E-Z FLEX METALITE CLOTH ROLL, 50 YD X 1", 320 GRIT

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Abrasives](#) > [Abrasive Cloth Rolls](#)

Heavy, Cloth-Backed Abrasive; First Choice For Tough Metal Removal

First choice of metalworking pros for use in coarse sanding to fine polishing of the hard or ferrous metals. Ideal for removing old rust, scouring, deburring, finishing. Tough, rugged, aluminum oxide grain, bonded on flexible, jean weight, cloth backing. Follows contours, flexes during use without flaking off. Gives a very long use-life. Tears straight without shredding at edge.

METALITE CLOTH ROLL Safety Instructions

Introduction

Thank you for choosing the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL. This product is designed for effective sanding and polishing of hard or ferrous metals. Please read this safety instruction guide thoroughly to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is intended for safe use in metalworking applications. Always follow safety instructions to mitigate risks.
- **Enhanced Recalls:** Stay informed about potential recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure the retailer complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For safety inquiries, refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Wear Protective Gear:** Always wear safety goggles, gloves, and a dust mask when using this product.
- **Ventilation:** Use in a well-ventilated area to avoid inhalation of dust particles.
- **Avoid Skin Contact:** Prolonged skin contact may cause irritation. Wash hands thoroughly after use.
- **Check for Damage:** Inspect the cloth roll for any damage before use. Do not use if frayed or damaged.
- **Proper Handling:** Handle the cloth roll carefully to avoid cuts or abrasions.

Instructions for Installation and Usage

1. Preparation:

- Ensure the work area is clean and free of obstructions.
- Gather all necessary tools and protective equipment.

2. Installation:

- Attach the METALITE CLOTH ROLL to the appropriate sanding or polishing tool as per the manufacturer's instructions.
- Ensure it is secured tightly to prevent slippage during use.

3. Usage:

- Start the tool at a low speed to avoid damage to the material being worked on.
- Gradually increase speed as needed while applying even pressure.
- Move the cloth roll in a consistent motion to ensure even sanding and polishing.
- Do not press too hard; let the abrasive action do the work.

4. PostUse Care:

- Turn off the tool and disconnect it from the power source.
- Clean the work area and tools after use.
- Store the cloth roll in a cool, dry place away from direct sunlight.

Disposal Instructions

- Dispose of the METALITE CLOTH ROLL in accordance with local regulations.
- Do not dispose of in regular household waste if it contains hazardous materials.
- Check for recycling options for used cloth rolls.

Contact Information for Further Support

For any questions or concerns regarding the METALITE CLOTH ROLLS NORTON EZ FLEX METALITE CLOTH ROLL, please refer to the appropriate contact resources available through your retailer or manufacturer.

Thank you for your attention to these safety instructions. Enjoy safe and effective use of your METALITE CLOTH ROLLS.
