TRIOUS BIRDSHOOTER 2 TRAP Safety Instruction Guide

Introduction

Thank you for choosing the TRIUS BIRDSHOOTER 2 TRAP. This guide provides important safety instructions and guidelines to ensure safe and effective use of your trap. Please read this manual thoroughly before operating the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure that the trap is set up in a safe environment, away from people and obstacles.
- Use the trap only for its intended purpose – throwing clay targets for shooting practice.
- Keep the area clear of bystanders during operation.
- Always wear appropriate safety gear, including eye and hearing protection, while shooting.
- Regularly inspect the trap for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the trap is stable and securely positioned before operating.
- Do not place hands or any body parts near the throwing arm during operation.
- Only one person should operate the trap at a time to prevent accidents.
- Avoid using the trap in adverse weather conditions that could affect safety, such as strong winds or rain.
- Supervise children and ensure they do not operate the trap without adult supervision.
- Do not attempt to modify or repair the trap without consulting the manufacturer.

Instructions for Installation and Usage

Installation

1. **Choose a Safe Location:** Select an open area free from obstructions and away from people.
2. **Set Up the Trap:**
 - Place the trap on a flat, stable surface.
 - Ensure the trap is securely positioned and will not tip over during use.
3. **Attach the Clay Targets:**
 - Follow the manufacturer's instructions to load clay targets onto the throwing arm.
 - Ensure targets are properly secured before proceeding.

Usage

1. **Preparing to Shoot:**
 - Step on the pedal to apply tension to the throwing arm.
 - Ensure that the area is clear of bystanders.
2. **Throwing Targets:**
 - Release the pedal to throw the clay target in one smooth motion.
 - Maintain a safe distance from the trap while shooting.
3. **PostUse:**
 - After use, ensure the trap is turned off and safely stored.
 - Clean the trap according to the manufacturer's guidelines to maintain its condition.

Disposal Instructions

- Dispose of the trap in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the trap in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support
