[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD Safety Instructions

Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD. This product is designed to provide safe storage and transportation for your ammunition. Please read this safety instruction guide carefully to ensure the safe use and handling of this product.

General Safety Guidelines

- Always store ammunition in a secure and dry place, away from children and unauthorized users.
- Ensure that the ammo box is closed and locked when not in use to prevent accidental opening.
- Regularly check the condition of the ammo box for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the storage and transportation of ammunition.
- Use caution when handling ammunition. Always treat every round as if it is loaded and ready to fire.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not overload the ammo box beyond its intended capacity.
- Ensure that the bullets are placed in the correct position as specified in the product instructions to avoid tip damage.
- When transporting the ammo box, secure it properly to prevent movement during transit.
- Keep the ammo box away from heat sources and open flames.
- Do not attempt to modify or repair the ammo box. Contact the manufacturer for any issues.

Instructions for Installation and Usage

1. Loading the Ammo Box:

- Open the ammo box by releasing the SnapLok latch.
- Place the ammunition in the designated inner trays, ensuring they are positioned correctly (bullet tip protection).
- Close the lid securely and engage the SnapLok latch.

2. Carrying the Ammo Box:

- Use the folding handle to carry the ammo box. Ensure that the handle is fully extended and locked in place.
- When carrying belted magnum rounds, ensure they are positioned rim up or down as per your preference.

3. Storing the Ammo Box:

- Store the ammo box in a cool, dry place, away from direct sunlight and moisture.
- Stack the boxes securely if you have multiple units, ensuring they are stable and not at risk of falling.

Disposal Instructions

- Dispose of the ammo box in accordance with local waste management regulations.
- If the ammo box is damaged or no longer usable, consider recycling the polypropylene material if

facilities are available.

- Do not dispose of ammunition in regular trash. Follow local guidelines for the safe disposal of ammunition.

Contact Information for Further Support

For any inquiries regarding safety, product issues, or additional information, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our priority. Enjoy using your HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD responsibly.
