

HANDLE CARRY RIFLE AMMO BOXES - MTM CASE-GARD HANDLE CARRY RIFLE AMMO BOX 20 NOSLER-9X57 NORMA 100RD GRN

[Shooting Accessories](#) > [Ammunition Storage](#) > [Ammo Boxes](#)

100 Round Box Specially designed for shooters who require a 100 round supply of very accurate ammunition (such as big bore, varmint hunters, etc.) The R-100 provides excellent protection for reloads and when the rounds are in the down position, they are protected by four special fingers which keep your bullets from hitting the bottom of the box and causing tip damage (which can change flight characteristics). It comes with adjustable inner trays which offer two height positions for different cartridge lengths. Features: Polypropylene construction with a scuff resistant, textured finished that will not crack, ship, contract, expand or warp An integral "living hinge" with a 10-year guarantee Snap-Lok latch to prevent spilling Folding handle for easy storing and stacking Pressure sensitive load label provided for recording load and sight data 50 Round Box These deluxe 50 round capacity boxes were designed for ultimate ammo protection and ease of transporting. Bullets are placed in the box in the down position and are protected by four special fingers. These fingers are designed to keep most bullet tips from hitting the bottom of the box, preventing tip damage that can change bullet flight characteristics. There is also extra space provided between rounds to facilitate easy removal. The convenient fold down carrying handle is specifically designed so that belted magnum rounds can be carried rim up or down. The H-50-XL is for the extra large hunting rounds. The calibers listed are for bullet up position; however, some of the rimmed cases will fit better bullet down. See bullet chart for your caliber. Features bullet tip protection, where most bullets will not touch the bottom of the box. As you can see the Max. OAL UP will be shorter than when the bullet is in the down position. Features: Full length mechanical hinge H-50 Series uses a tray which spaces the rounds out for easy removal. Convenient handle for carrying Bullet tip protection Stackable and lockable design Full length mechanical hinge

HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD Safety Instruction Guide

Introduction

Thank you for choosing the HANDLE CARRY RIFLE AMMO BOXES MTM CASEGARD. This guide provides essential safety instructions to ensure the safe use of our product. Please read this manual carefully and follow all safety guidelines to protect yourself and others.

General Safety Guidelines

- Always store ammunition in a cool, dry place away from direct sunlight.
- Keep the ammo box out of reach of children and unauthorized users.
- Inspect the ammo box regularly for any signs of damage or wear.
- Use the ammo box only for its intended purpose—transporting and storing ammunition.
- Follow all local laws and regulations regarding ammunition storage and transport.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the box is closed securely before transport to prevent spillage.
- Do not overload the ammo box beyond its specified capacity.
- When handling the ammo box, use both hands to ensure a secure grip.
- Avoid dropping or throwing the ammo box, as this may cause damage to the box or its contents.
- If using the box outdoors, be mindful of the environment and avoid leaving it unattended.

Instructions for Installation and Usage

1. Loading Ammunition:

- Open the ammo box by releasing the SnapLok latch.
- Place ammunition in the designated trays, ensuring that bullets are oriented correctly.
- Use the adjustable inner trays to accommodate different cartridge lengths.
- Close the box securely after loading.

2. Transporting the Ammo Box:

- Use the folding handle for easy carrying.
- Ensure the box is balanced and secure while carrying to prevent dropping.
- When transporting in a vehicle, secure the box to prevent movement during transit.

3. Storing the Ammo Box:

- Store the ammo box in a safe, designated area.
- Ensure the box is placed on a stable surface to prevent tipping.
- Avoid stacking heavy objects on top of the ammo box.

Disposal Instructions

- Dispose of the ammo box in accordance with local regulations.
- If the box is damaged beyond use, consider recycling the polypropylene material where facilities exist.
- Do not burn the ammo box, as it may release harmful substances.
