

# **SINCLAIR POLISHING MEDIA - SINCLAIR INTERNATIONAL BRASS CASE BRITE MEDIA, TREATED CORN COB, 5 POUNDS**

[Reloading](#) > [Case Cleaning](#) > [Tumbling Media & Additives](#)

Our treated media is ground corn cob blended with industrial-grade cleaning and polishing agents. Works extremely well on recently fired cases as well as older dirty case. The untreated media is ground corn cob that is great to use as a final dry polish, but also can be blended with your favorite additive like Rooster Bright Case Polish, Flitz Tumbler Media Additive and Lucas Oil Gun Metal Polish to make a great cleaning media.

# Safety Instruction Guide for SINCLAIR POLISHING MEDIA

## Introduction

Thank you for choosing SINCLAIR POLISHING MEDIA. This guide provides important safety information to ensure the safe and effective use of our product. Please read this guide carefully before using the polishing media.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Always follow the manufacturer's instructions for use and storage.
- In case of an emergency, contact local authorities or seek medical advice.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The polishing media may produce dust during use. Inhalation of dust can cause respiratory irritation.
- Avoid contact with eyes and skin; irritation may occur.

### • Avoiding Hazards:

- Use in a wellventilated area to minimize dust inhalation.
- Wear safety goggles and gloves when handling the product to prevent skin and eye irritation.
- Do not eat, drink, or smoke while using the product to avoid accidental ingestion.

### • Age Specific Warnings:

- Keep out of reach of children. This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### • Preparation:

- Ensure that your tumbling equipment is clean and free from any residues before adding the polishing media.

### • Using the Polishing Media:

- Measure the appropriate amount of treated corn cob media (5 pounds recommended for standard tumblers).
- Add the media to the tumbler along with any desired additives like Rooster Bright Case Polish or Lucas Oil Gun Metal Polish.
- Load the cases into the tumbler, ensuring they are evenly distributed.
- Close the tumbler securely and follow the manufacturer's instructions for operation.

### • Post Use:

- After tumbling, carefully remove the cases and media from the tumbler.
- Dispose of any used media responsibly, following local regulations.

## **Disposal Instructions**

- Dispose of used polishing media in accordance with local waste disposal regulations.
- Do not dispose of the product in waterways or public spaces.
- If unsure about disposal methods, consult local waste management authorities for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of SINCLAIR POLISHING MEDIA, please refer to the product packaging for contact information or consult the manufacturer's website.

Please remember that your safety is our priority. By following these guidelines, you can enjoy the benefits of SINCLAIR POLISHING MEDIA while minimizing any potential risks. Thank you for your attention to these important safety instructions.
