Safety Instruction Guide for CASE CLEANING MEDIA FORMULA 1 WALNUT SHELL MEDIA 5 LBS

Introduction

Thank you for purchasing the CASE CLEANING MEDIA FORMULA 1 WALNUT SHELL MEDIA. This product is designed for use in vibratory tumblers and the RCBS Sidewinder rotary case tumbler. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for the use of this product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that the workspace is wellventilated during use.
- Avoid inhalation of dust generated during use.
- Do not ingest the product. It is not a food item.
- Regularly check for any product recalls or safety alerts through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Wear protective gloves and a dust mask when handling the media to minimize skin contact and inhalation of dust.
- Avoid using the media near open flames or high heat sources.
- Store the product in a cool, dry place away from direct sunlight.
- Do not mix with other cleaning media unless specified by the manufacturer.
- Dispose of any unused media according to local regulations.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your tumbler is clean and free from any residue from previous media.
- Gather all necessary materials, including the walnut shell media and any polishing compounds.

2. Loading the Tumbler:

- Pour the desired amount of Formula 1 walnut shell media into the tumbler.
- If using polishing compounds, add them according to the manufacturer's recommended dosage (5 0.6 oz packages).

3. Operating the Tumbler:

- Close the tumbler securely before operation.
- Set the timer according to the cleaning requirements of your cases.
- Start the tumbler and monitor its operation to ensure it is functioning correctly.

4. PostUse:

- Once the cleaning cycle is complete, turn off the tumbler and allow it to cool before opening.
- Carefully remove the cleaned cases and dispose of the used media according to local disposal guidelines.

Disposal Instructions

- Dispose of the walnut shell media in accordance with local waste disposal regulations.
- Do not dispose of the media in water bodies or landfills where it may cause environmental harm.
- If the media is contaminated, follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For more information regarding safety inquiries or product support, please contact the manufacturer directly. Ensure you have your product details ready for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy using your CASE CLEANING MEDIA FORMULA 1 WALNUT SHELL MEDIA responsibly and effectively.
