Safety Instruction Guide for SINCLAIR POLISHING MEDIA BRASS CASE BRITE MEDIA, TREATED WALNUT, 5 POUNDS

Introduction

Thank you for choosing SINCLAIR POLISHING MEDIA. This guide provides essential safety instructions to ensure the safe and effective use of our product. Please read this document carefully before use to understand the precautions and procedures necessary for your safety.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhalation of dust.
- Avoid contact with eyes and skin; wear appropriate protective gear if necessary.
- Dispose of any waste material in accordance with local regulations.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The product may produce dust during use; inhalation can cause respiratory irritation.
 - Prolonged skin contact may cause irritation for some individuals.
- **Avoiding Hazards:**
 - Always wear a dust mask and safety goggles when using the media.
 - Use gloves to protect your skin from prolonged contact.
 - Ensure that the workspace is clean and free from any flammable materials.

Instructions for Installation and Usage

1. **Preparation:**
 - Ensure your workspace is clean and wellventilated.
 - Gather all necessary tools and protective equipment before starting.
2. **Using the Media:**
 - Measure the desired amount of treated walnut media (5 pounds recommended for optimal results).
 - Place the media into your tumbler or cleaning device.
 - If desired, blend with additives like Rooster Bright Case Polish or Flitz Tumbler Media Additive for enhanced cleaning.
3. **Operating the Tumbler:**
 - Follow the manufacturer's instructions for the tumbler settings.
 - Monitor the operation to ensure safe functioning.
4. **PostUse:**
 - After use, carefully remove the media and any cleaned items.
 - Clean the tumbler according to the manufacturer's instructions to prevent buildup.

Disposal Instructions

- Dispose of used polishing media in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste; check for recycling options.
- If uncertain about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the appropriate EUbased contact point for product safety.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with SINCLAIR POLISHING MEDIA. We appreciate your commitment to safety and responsible usage of our product. Always stay informed about safety updates and product recalls through official channels. Thank you for choosing SINCLAIR.
