

JAMMIT TARGET STAND - BLACK - JAMMIT TARGET STAND POLYMER BLACK

[Shooting Accessories](#) > [Targets & Accessories](#) > [Target Stands](#)

The MTM stand is made of engineering grade plastic and assembles in seconds. Steel pegs on the base make it easy to put in the ground with the built in footstep. The packaging makes a cardboard backer, but any 1/4 inch or less material can be used as a replacement. Dimensions with backer assembled are 17-1/2 x 47 inches.

JAMMIT TARGET STAND BLACK Safety Instructions

Introduction

Thank you for choosing the JAMMIT TARGET STAND BLACK. This product is designed for safe and efficient use in target practice. Please read this safety instruction guide carefully to ensure safe operation and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the target stand before use for any signs of damage or wear.
- Keep the target stand out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the target stand in adverse weather conditions, such as high winds or storms.
- Ensure that the target stand is securely anchored in the ground before use.
- Avoid placing the target stand in areas where it may obstruct pathways or create hazards for others.
- Use appropriate protective gear, such as eye protection, when engaging in target practice.
- Do not exceed the weight limit specified by the manufacturer for the target stand.

Instructions for Installation and Usage

1. Assembly:

- Remove all components from the packaging.
- Assemble the target stand by connecting the parts as per the instructions provided. The stand should assemble in seconds.
- Ensure that all connections are secure before use.

2. Installation:

- Choose a flat, stable surface for installation.
- Use the builtin footstep to drive the steel pegs into the ground securely.
- Check that the stand is stable and upright before placing any targets.

3. Usage:

- Position your targets according to your practice needs.
- Always ensure that the area around the target stand is clear of people and obstructions before firing.
- After use, remove any targets and disassemble the stand if necessary for storage.

Disposal Instructions

- Dispose of the target stand responsibly at the end of its life cycle.
- Check local regulations for proper disposal methods for engineeringgrade plastic.
- Do not dispose of the product in regular household waste if it can be recycled.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety is our priority!
