

PISTOL REST - MTM CASE-GARD HANDGUN REST ADJUSTABLE BASE POLYPROPYLENE RED

[Shooting Accessories](#) > [Shooting Rests](#) > [Shooting Rest Accessories](#)

MTM Pistol Rest is extremely useful when sighting in handguns with scopes and when checking your loads for accuracy. The rest adjusts to 20 different positions, so it will accommodate just about every type and size of pistol. The fork has soft molded-on rubber to protect the gun's finish, and the unit gives you a comfortable shooting position. The fork stores inside the base piece when not in use making it a compact package.

Pistol Rest MTM CaseGard Handgun Rest Safety Instructions

Introduction

Thank you for choosing the MTM Pistol Rest. This product is designed to help you sight in handguns with scopes and check your loads for accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the Pistol Rest.

General Safety Guidelines

- Always use the Pistol Rest in a safe and controlled environment.
- Ensure that the area around you is clear of people and obstructions before using the rest.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep your finger off the trigger until you are ready to shoot.
- Store the Pistol Rest in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the Pistol Rest for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding the use of firearms and shooting accessories.

Specific Safety Precautions for Use

- Ensure that the Pistol Rest is set up on a stable and level surface to prevent tipping or movement during use.
- Adjust the rest to the appropriate height and position for your shooting style.
- Use the soft molded rubber fork to protect your firearm's finish.
- Do not exceed the maximum load capacity of the Pistol Rest, as specified in the product documentation.
- Never attempt to modify or alter the Pistol Rest in any way.
- If you experience any difficulty adjusting the rest or if it does not seem to function properly, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

1. Setup:

- Unpack the Pistol Rest from its packaging.
- Place the base piece on a stable, level surface.
- Ensure that the fork is properly stored inside the base when not in use.

2. Adjustment:

- Adjust the fork to one of the 20 available positions to accommodate your pistol's size and type.
- Ensure that the fork is securely locked in place before placing your firearm on it.

3. Usage:

- Place your handgun gently in the fork, ensuring it is stable and secure.
- Take your shooting position and align your sights as needed.
- After shooting, remove the handgun from the fork and store it safely.

4. Storage:

- When not in use, store the Pistol Rest in a dry and secure location.
- Keep the fork stored inside the base to maintain a compact package.

Disposal Instructions

- When disposing of the Pistol Rest, ensure that it is done in accordance with local regulations.
- Consider recycling the product where possible, as it is made from polypropylene.
- Do not dispose of the product in regular household waste if it can be recycled.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the manufacturer's contact details provided in the product documentation or visit their official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your MTM Pistol Rest. Always prioritize safety when handling firearms and related equipment. Thank you for your attention to these guidelines.
