

# TRIPLE-SHOCK X 22 CALIBER (0.224") BULLETS - BARNES BULLETS TSX 22 CALIBER (0.224") BOAT TAIL 70GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

## Attributes

- Name: [BARNES BULLETS TSX 22 CALIBER \(0.224"\) BOAT TAIL 70GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# Safety Instruction Guide for TRIPLESHOCK X 22 CALIBER (0.224") BULLETS

## Introduction

Thank you for choosing the TRIPLESHOCK X 22 CALIBER (0.224") BULLETS by Barnes Bullets. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this manual carefully before using the bullets to understand how to handle them safely and effectively.

## General Safety Guidelines

- Ensure that you are legally allowed to purchase and use this product in your country or region.
- Always store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when handling or firing ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Always handle bullets and firearms with care to avoid accidental discharge.
- Do not use damaged or deformed bullets.
- Verify that your firearm is compatible with the 22 caliber bullets before use.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Avoid using bullets in wet or muddy conditions, as this can affect performance.
- Do not attempt to modify or alter the bullets in any way.

## Instructions for Installation and Usage

- Ensure that your firearm is unloaded before inserting bullets.
- Load the bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.
- Confirm that the firearm is in a safe condition before firing.
- When firing, maintain a stable shooting position and aim at a safe target.
- After firing, ensure the firearm is unloaded before handling or cleaning it.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact your local waste management authority for information on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of TRIPLESHOCK X 22 CALIBER (0.224") BULLETS, please refer to the manufacturer's website or contact their customer support for assistance.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TRIPLESHOCK X 22 CALIBER (0.224") BULLETS. Always prioritize safety and compliance with local laws when handling ammunition. Thank you for your attention to these important guidelines.
