# Safety Instruction Guide for Sportsmen's Plus Utility Dry Boxes

## Introduction

Thank you for choosing the Sportsmen's Plus Utility Dry Boxes. These boxes are designed to provide safe and reliable storage for your gear. This guide will help you understand how to use the product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this guide.
- Always inspect the dry box for any damage or defects before use.
- Keep the dry box out of reach of children when not in use.
- Do not overload the dry box beyond its specified capacity.
- Store the dry box in a cool, dry place away from direct sunlight to prevent material degradation.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Water Resistance:** The dry box features a waterresistant Oring seal. Ensure that the seal is intact before submerging or exposing it to water.
- **Lifting and Carrying:** Use both hands when lifting the dry box. Ensure that the handle is secure and that you are lifting within your physical limits.
- **Storage of Items:** Do not store items that are hazardous, flammable, or corrosive inside the dry box.
- **Locking Mechanism:** Use the double padlock tabs for added security when storing valuable items. Ensure that the locks are properly engaged.
- **Bungee Hook Receivers:** When using the molded in bungee hook receivers, ensure that the bungee cords are securely fastened to prevent items from falling out during transport.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the dry box from its packaging. Inspect for any visible damage.
2. **Setting Up:** Place the dry box on a flat, stable surface. Ensure that the lid is fully closed and that the Oring seal is in place.
3. **Loading Items:**
  - Open the top access lid compartment.
  - Organize items in the five sectioned areas to keep them separate and safe.
  - For the medium and large sizes, utilize the liftout tray for easy access to smaller items.
4. **Securing the Box:** After loading, close the lid firmly. Engage the heavyduty latch and double padlock tabs to secure the contents.
5. **Transporting:** Use the large comfortable handle to carry the dry box. For the SPUD7, consider using the nylon shoulder strap for handsfree carrying.
6. **Maintenance:** Periodically check the Oring seal and latches for wear and tear. Clean the dry box with mild soap and water, and dry thoroughly before storing.

## Disposal Instructions

- Dispose of the dry box in accordance with local regulations.
- Do not incinerate the product, as it may release harmful substances.
- Recycle components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Sportsmen's Plus Utility Dry Boxes, please refer to the EU contact point or consult the retailer from whom you purchased the product.

By following these guidelines, you can ensure the safe use of your Sportsmen's Plus Utility Dry Boxes. Thank you for your attention to safety!
