# Sportsmen's Plus Utility Dry Boxes Safety Instruction Guide

## Introduction

Thank you for choosing the Sportsmen's Plus Utility Dry Boxes. These boxes are designed to provide safe storage solutions for your outdoor activities. This guide outlines important safety instructions to ensure the safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the dry box is used only for its intended purpose.
- Always check for any visible damage before use. Do not use if damaged.
- Keep the dry box out of reach of children when not in use.
- Regularly inspect the Oring seal and latches to ensure they are functioning properly.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls or safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Water Resistance:** While the dry box is waterresistant, it is not waterproof. Avoid submerging it in water.
- **Weight Limit:** Do not exceed the recommended weight limit for the dry box. Overloading may cause damage or failure.
- **Secure Storage:** Use the double padlock tabs to secure the contents when necessary.
- **Handle with Care:** Use the large comfortable handle to carry the box. Avoid lifting it by the lid or sidewalls.
- **Avoid Sharp Objects:** Do not store sharp objects that could puncture the interior or damage the Oring seal.
- **Temperature Considerations:** Avoid exposing the dry box to extreme temperatures, which could affect its integrity.

## Instructions for Installation and Usage

### Installation

- Place the dry box on a flat, stable surface.
- Ensure that the lid is fully closed and the latches are securely fastened before moving.

### Usage

- Open the top access lid compartment to access storage.
- Use the sectioned areas to organize smaller items.
- For the SPUD6 and SPUD7 models, utilize the molded in bungee hook receivers to secure the box during transport.
- When using the liftout tray, ensure it is fully seated in the box to prevent spills.

## Disposal Instructions

- Dispose of the dry box responsibly at a recycling facility if it is no longer needed.
- Follow local regulations for disposal of plastic products.
- Remove any contents and clean the box before disposal.

## **Contact Information for Further Support**
