FULL LENGTH SIZING DIES 7.62X39MM Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 7.62X39MM. This product is designed to provide reliable performance for resizing your cartridges. To ensure safe and effective use, please read this safety instruction guide carefully and follow all guidelines.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure a clean and organized workspace to avoid accidents.
- Do not use the dies for any purpose other than intended resizing of cartridges.
- Regularly inspect the dies for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the cartridge is completely unloaded before inserting it into the die.
- Use a headspace gauge when setting up the full length sizing die to avoid incorrect sizing.
- Follow the manufacturer's instructions for decapping assembly and expander ball usage.
- Avoid applying excessive force when resizing cartridges to prevent damage to the die or the cartridge.
- Do not modify the dies in any way. Alterations can lead to unsafe conditions or product failure.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading press is compatible with the FULL LENGTH SIZING DIES.
- Securely mount the sizing die into the reloading press according to the manufacturer's instructions.
- Attach the decapping assembly and expander ball as per the guidelines provided with the die.

2. Usage

- Place the cartridge into the shell holder of the reloading press.
- Raise the ram to bring the cartridge into contact with the sizing die.
- Apply steady pressure to resize the cartridge. Do not force the press beyond its limits.
- After resizing, lower the ram and remove the cartridge.
- Inspect the resized cartridge for any defects before further processing.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the dies in regular household waste. Instead, take them to a designated recycling facility if available.
- Ensure that any leftover materials from the resizing process are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience while using the FULL LENGTH SIZING DIES 7.62X39MM. Thank you for your attention to safety.
