FULL LENGTH SIZING DIES 6MM BR Safety Instruction Guide

Introduction

Thank you for choosing the FULL LENGTH SIZING DIES 6MM BR REM FULL LENGTH SIZING DIE (SMALL BASE). This guide provides essential safety instructions and guidelines for the safe use of this product, ensuring you can achieve optimal results while minimizing risks.

General Safety Guidelines

- Ensure that all users are familiar with the product and its intended use.
- Always read and understand the instructions before use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the dies for any signs of damage or wear.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses, to protect your eyes from debris.
- Ensure your workspace is clean and free from distractions.
- Use a headspace gauge when setting up the full length sizing die to ensure proper measurement and safety.
- Avoid using excessive force during operation to prevent accidents or damage to the die.
- Never leave the die unattended while in use.
- Do not modify the die or use it for purposes other than those specified.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that your reloading press is compatible with the sizing die.

2. Installation:

- Securely mount the sizing die into the reloading press following the manufacturer's instructions.
- Adjust the die to the desired position using the provided locking mechanism.

3. Usage:

- Insert the cartridge case into the press and ensure it is properly aligned.
- Gradually apply pressure to the handle to size the cartridge case.
- After sizing, inspect the case for proper dimensions and any signs of damage.
- Use the decapping assembly to remove spent primers safely.

4. PostUse:

- Clean the die after each use to prevent buildup and ensure longevity.
- Store the die in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Contact your local waste management authority for specific disposal guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please refer to the manufacturer or your point of purchase for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the FULL LENGTH SIZING DIES 6MM BR REM FULL LENGTH SIZING DIE (SMALL BASE). Thank you for prioritizing safety in your reloading practices.
