

COMPETITION BUSHING NECK DIES - COMPETITION BUSHING NECK DIE 300 WSM

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: COMPETITION BUSHING NECK DIE 300 WSM
- Manufacturer: REDDING
- Product no.: 749007421
- Mfr. No.: 56223
- Cartridge: 300 WSM (Winchester Short Mag)
- Die Style: Neck Die
- Delivery weight: 0.363kg
- Shipping height: 46mm
- Shipping width: 109mm

Safety Instruction Guide for Competition Bushing Neck Die 300 WSM

Introduction

Thank you for purchasing the Competition Bushing Neck Die 300 WSM. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read all sections carefully before using the die.

General Safety Guidelines

- Ensure that you are familiar with reloading practices and safety measures before using this product.
- Always wear appropriate safety gear, including eye protection, when handling reloading equipment.
- Keep the die and all associated tools out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before each use.
- If you suspect any malfunction or damage, refrain from using the die and seek professional assistance.

Specific Safety Precautions for Use

- **Potential Hazards:**
 - Improper use may lead to accidents, including injury or damage to the firearm.
 - Ensure that the die is compatible with the specific cartridge you are using (300 WSM).
- **Avoiding Hazards:**
 - Follow the manufacturer's instructions carefully when setting up and using the die.
 - Do not attempt to alter or modify the die in any way.
 - Ensure that the workspace is clean and free from distractions while using the die.
 - Use the die only for its intended purpose – resizing cartridge cases.

Instructions for Installation and Usage

1. Installation:

- Secure the die in a reloading press according to the manufacturer's instructions.
- Make sure the die is tightened properly to prevent movement during resizing.

2. Usage:

- Insert the cartridge case into the die, ensuring it is properly aligned with the sizing bushing.
- Adjust the micrometer to the desired neck length before starting the resizing process.
- Operate the press smoothly and steadily, allowing the cartridge case to move upward while the bushing selfcenters.
- After resizing, check the neck length and inspect the case for any damage.
- Clean the die regularly to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or worn components according to local regulations.
- Do not throw the die or associated parts in regular household waste.
- Check with local authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Competition Bushing Neck Die 300 WSM, please reach out to the appropriate EU-based contact point or retailer from which you purchased the product.

By following these safety instructions and guidelines, you can ensure a safer and more effective reloading experience with your Competition Bushing Neck Die 300 WSM. Always prioritize safety and consult professionals if you have any doubts or questions. Thank you for your attention and safe reloading!
