

COMPETITION BUSHING NECK DIES - COMPETITION BUSHING NECK DIE 6.5X55MM SWEDISH

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: COMPETITION BUSHING NECK DIE 6.5X55MM SWEDISH
- Manufacturer: REDDING
- Product no.: 749007425
- Mfr. No.: 56132

Safety Instruction Guide for Competition Bushing Neck Die 6.5x55mm Swedish

Introduction

Thank you for purchasing the Competition Bushing Neck Die 6.5x55mm Swedish. This guide provides important safety instructions and usage information to ensure safe and effective operation of the product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** This die is designed for safe use in reloading ammunition. Always follow safety instructions to prevent accidents.
- **Enhanced Recalls:** Stay informed about recalls or safety notices related to this product. Check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU contact point.
- **Rapid Alerts:** Be aware of rapid alerts regarding unsafe products through the Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury if the die is used improperly.
 - Potential for damage to the cartridge or firearm if not used as intended.
- **Avoiding Hazards:**
 - Always wear appropriate safety gear, including eye protection, when using this die.
 - Ensure that the die is properly secured in the reloading press before use.
 - Do not exceed the recommended specifications for the cartridge being reloaded.
 - Regularly inspect the die for wear or damage before each use.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is clean and free from debris.
 2. Secure the Competition Bushing Neck Die in the reloading press according to the manufacturer's instructions.
 3. Adjust the die to the desired position based on your specific reloading requirements.
- **Usage:**
 1. Prepare your cartridge cases by cleaning and inspecting them for damage.
 2. Insert the cartridge case into the die and ensure it is supported and aligned.
 3. Begin the sizing process by moving the handle of the reloading press smoothly.
 4. Monitor the alignment of the cartridge case as it is resized to ensure proper operation.
 5. After resizing, remove the cartridge case and check for proper neck sizing.
 6. Store the die in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any damaged or worn dies according to local regulations.
- Follow local guidelines for the disposal of metal and other materials.
- Do not dispose of in regular household waste.

Contact Information for Further Support

For any questions or further assistance, please refer to the manufacturer's website or customer support resources.

By following these guidelines, you will ensure a safe and effective reloading experience with your Competition Bushing Neck Die 6.5x55mm Swedish. Thank you for your attention to safety.
