

TRIPLE-SHOCK X 22 CALIBER (0.224") BULLETS - BARNES BULLETS TSX 22 CALIBER (0.224") FLAT BASE 45GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Safety Instruction Guide for TRIPLESHOCK X 22 CALIBER (0.224") BULLETS

Introduction

Thank you for choosing the TRIPLESHOCK X 22 CALIBER (0.224") BULLETS by BARNES BULLETS. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use.

General Safety Guidelines

- Always treat all ammunition as if it is loaded and ready to fire.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use only in firearms that are specifically chambered for 22 caliber ammunition.
- Ensure that your firearm is in good working condition and regularly maintained.
- Familiarize yourself with the laws and regulations regarding ammunition in your area.

Specific Safety Precautions for Use

- Use appropriate eye and ear protection when shooting.
- Do not exceed the recommended load data provided by your firearm manufacturer.
- Always check your firearm for obstructions before loading.
- Do not attempt to modify or disassemble the bullets.
- Never point a firearm at anything you do not intend to shoot.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

- Carefully read the firearm's manual before loading ammunition.
- Load bullets into the magazine or chamber according to the manufacturer's instructions.
- Ensure that the safety mechanism of your firearm is engaged until you are ready to shoot.
- When ready to fire, aim at a safe target and disengage the safety.
- After shooting, unload your firearm and store it safely.

Disposal Instructions

- Dispose of any unused or expired ammunition according to local regulations.
- Do not throw ammunition in the regular trash.
- Contact local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIPLESHOCK X 22 CALIBER (0.224") BULLETS, please refer to the manufacturer's website or customer service for assistance.
