

TIPPED TSX® 338 CAL (.338") POLYMER TIP BOAT TAIL RIFLE BULLETS - TIPPED TSX 338 CAL (0.338") BOAT TAIL 185GR 50/BX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

Attributes

- Name: [TIPPED TSX 338 CAL \(0.338"\) BOAT TAIL 185GR 50/BX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009056
- Mfr. No.: 30426
- Ballistic Coefficient (G1): 0.432
- Brand Style: Tipped Triple Shock X
- Bullet Style: Boat Tail (BT)
- Caliber: 338 Caliber
- Diameter (Breech): 0.338
- Diameter (in): 0.338
- Grain: 185
- Sectional Density: 0.231
- Quantity: 50
- Delivery weight: 0.454kg
- Shipping height: 41mm
- Shipping width: 51mm
- Shipping length: 86mm
- UPC: 716876338740

TIPPED TSX® 338 CAL (.338") POLYMER TIP BOAT TAIL RIFLE BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TIPPED TSX® 338 CAL (.338") Polymer Tip Boat Tail Rifle Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. It is important to follow these guidelines to minimize risks and maximize your shooting experience.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Store ammunition in a secure location, out of reach of children and unauthorized users.
- Use appropriate protective gear, including eye and ear protection, when handling or firing firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Regularly inspect your ammunition for any signs of damage or defects before use.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with .338 caliber ammunition before use.
- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or corroded bullets as they may pose safety risks.
- Be cautious of the environmental conditions, such as wind and visibility, when shooting.
- Do not attempt to modify or alter the bullets in any way.
- Keep the area clear of bystanders and ensure a safe distance when firing.

Instructions for Installation and Usage

1. Preparation:

- Verify that your firearm is unloaded before handling.
- Gather necessary equipment, including a loading tool, if required.

2. Loading the Bullets:

- Carefully insert the TIPPED TSX® bullet into the cartridge case.
- Ensure that the bullet is seated properly and securely in the case.

3. Firing:

- Load the cartridge into the firearm's chamber.
- Ensure the firearm is pointed in a safe direction before pulling the trigger.
- Follow the manufacturer's instructions for operating your specific firearm model.

4. PostUse:

- After firing, unload the firearm and inspect for any residue or damage.
- Clean your firearm according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw ammunition in regular trash; contact local waste management for proper disposal methods.
- Ensure that all spent casings and bullet remnants are collected and disposed of safely.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TIPPED TSX® 338 CAL bullets, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your shooting experience responsibly and safely.
