

# GUN CLEANING VISE - UNIVERSAL RIFLE & SHOTGUN MAINTENANCE VISE RED

[Gun Cleaning & Chemicals](#) > [Gun Cleaning Cradles](#)

The MTM Gun Cleaning Vise is packed full of features that you would normally find on costly high end model vises, all for a fraction of the cost. Easily perform all your gunsmithing and maintenance for rifles, shotguns, long guns, etc. The MTM Gun Vise features a fast, single adjustment clamp that secures with a non-marring hold. The cleaning forks are positioned so that you may clamp your firearm level or sloped, depending on whether you are installing an optical sight, adjusting a trigger, or flushing your action and in need of drainage. Shotgun barrels, rifle stocks, muzzleloaders, etc., are held securely for easy cleaning. Organize all of your cleaning supplies within the 14 separate compartments. A divided tray slides to uncover compartments in the vise base for smaller, easy-to-lose items. Utilize the 11 screwdriver bit holders, which are also handy for jags, brushes, mops, and rod implements. Along the bottom side of the MTM Gun Cleaning Vise are two convenient cleaning rod holders to keep your rods from getting away while you're making adjustments. Comprised of chemical and solvent resistant polypropylene plastic, the MTM gun Cleaning Vise is built to last.

# MTM Gun Cleaning Vise Safety Instructions

## Introduction

Thank you for choosing the MTM Gun Cleaning Vise for your firearm maintenance needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before use to familiarize yourself with the necessary precautions and proper handling.

## General Safety Guidelines

- Ensure that the vise is used in a wellventilated area.
- Keep the workspace clean and organized to prevent accidents.
- Always wear appropriate safety gear, such as safety glasses and gloves, when cleaning firearms.
- Keep the vise out of reach of children and vulnerable individuals.
- Inspect the vise for any damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- **Clamp Securely:** Always ensure that your firearm is securely clamped before performing any maintenance. The nonmarring hold of the vise will help prevent damage to your firearm.
- **Level Positioning:** Position your firearm level or sloped as needed for specific tasks, such as installing optical sights or adjusting triggers.
- **Cleaning Rod Holders:** Use the cleaning rod holders to keep your rods secure while making adjustments. This will help prevent them from falling or causing injury.
- **Chemical Safety:** The MTM Gun Cleaning Vise is made from chemical and solventresistant polypropylene plastic. However, avoid prolonged exposure to harsh chemicals and solvents.
- **Avoid Overloading:** Do not overload the compartments with cleaning supplies beyond their capacity to prevent spills and accidents.

## Instructions for Installation and Usage

### 1. Setup:

- Place the MTM Gun Cleaning Vise on a stable and flat surface.
- Ensure that all compartments are clear and accessible for use.

### 2. Clamping Your Firearm:

- Position your firearm in the cleaning forks of the vise.
- Adjust the single clamp to secure the firearm without applying excessive pressure that may cause damage.
- Check that the firearm is held securely before proceeding with any maintenance tasks.

### 3. Organizing Cleaning Supplies:

- Use the 14 separate compartments to organize your cleaning supplies.
- Utilize the divided tray to store smaller items securely.

### 4. Using Screwdriver Bit Holders:

- Insert screwdriver bits into the 11 holders as needed for your maintenance tasks.
- These holders can also be used for jags, brushes, mops, and rod implements.

### 5. Cleaning and Maintenance:

- After use, clean the vise with a damp cloth to remove any residue.
- Store the vise in a dry place to prevent deterioration.

## **Disposal Instructions**

When disposing of the MTM Gun Cleaning Vise, please follow these guidelines:

- Dispose of the product in accordance with local regulations regarding plastic waste and electronic components.
- Do not incinerate the vise, as it may release harmful substances.
- If the vise is damaged beyond repair, consider recycling the plastic components where facilities are available.

## **Contact Information for Further Support**

For any questions or concerns about the MTM Gun Cleaning Vise, please consult the manufacturer's website or customer support for further assistance.
