CASE LUBE PAD Safety Instructions

Introduction

Thank you for choosing the CASE LUBE PAD by RCBS. This product is designed to assist in the lubrication of cases for reloading ammunition. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the CASE LUBE PAD is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children to prevent accidental ingestion or misuse.
- Regularly inspect the CASE LUBE PAD for any signs of damage or wear. Do not use if damaged.
- Store the CASE LUBE PAD in a cool, dry place away from direct sunlight and extreme temperatures.
- If you experience any adverse reactions while using the product, discontinue use immediately and seek medical advice.

Specific Safety Precautions for Use

- Ensure that your hands are clean and dry before using the CASE LUBE PAD.
- Use the product in a wellventilated area to avoid inhalation of any fumes or particles.
- Avoid contact with eyes and skin. In case of contact, rinse immediately with plenty of water.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Do not use the CASE LUBE PAD for purposes other than intended.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your workspace is clean and organized.
- Gather all necessary materials, including cases to be lubricated and the CASE LUBE PAD.

2. Using the CASE LUBE PAD:

- Place the CASE LUBE PAD on a flat surface.
- Apply an appropriate amount of case lube to the pad. Do not saturate the pad excessively.
- Roll or press the cases onto the lube pad, ensuring an even coating of lubricant on the cases.
- After lubrication, allow the cases to dry before proceeding with reloading.

3. Cleaning and Maintenance:

- After use, clean the CASE LUBE PAD with a damp cloth to remove any excess lubricant.
- Store the pad flat to maintain its shape and effectiveness.

Disposal Instructions

- Dispose of the CASE LUBE PAD in accordance with local regulations.
- Do not dispose of the product in household waste. Check for local recycling programs or hazardous waste disposal options.
- Ensure that any used lubricant or materials are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer directly through the provided channels.

By following these safety instructions, you can ensure a safe and effective experience with your CASE LUBE PAD. Thank you for your attention to these important guidelines.
