

# MEC 600 JR MARK V SHOT SHELL PRESS - 600 JR. MARK 5 SINGLE STAGE PRESS 20 GAUGE 2-3/4"-3"

[Reloading](#) > [Reloading Presses](#) > [Shotshell Presses](#)

The MEC 600 Jr. has features normally found only on the high-end models making it one of the most popular, economical single-stage shotshell reloaders on the market today. Fast and efficient operation allows loading eight to ten boxes per hour, plus easily upgrades to the 285 CA primer feed system, which eliminates the need to handle each primer individually. Adjustable for 3" shells, and available in 12, 20, 28 gauge and .410 bore. Includes 1 Charge Bar & 3 Powder Bushings.

# MEC 600 JR MARK V SHOT SHELL PRESS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MEC 600 Jr. Mark V Shot Shell Press. This guide provides essential safety information and instructions to ensure safe and effective use of your shotshell reloader. Please read this manual thoroughly before operating the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Keep the work area clean and organized to prevent accidents.
- Ensure proper lighting in the workspace to avoid mistakes.
- Wear appropriate safety gear, including safety glasses and gloves, when operating the press.
- Do not operate the press if you are tired, distracted, or under the influence of drugs or alcohol.
- Store all components, including primers and powders, in a safe, dry place away from children and pets.
- Regularly inspect the press for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Potential hazards include the handling of primers and gunpowder, which can be flammable and sensitive to static electricity.
- The press may have moving parts that can cause injury if not handled properly.

### • Avoiding Hazards:

- Always handle primers and gunpowder with care. Follow all recommended safety practices for handling these materials.
- Keep hands, clothing, and tools clear of moving parts while the press is in operation.
- Ensure that the press is securely mounted to a stable surface to prevent tipping or movement during use.
- Do not exceed the recommended load limits for the press.

### • Age Specific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.
- Individuals under the age of 18 should not operate this equipment without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a sturdy, flat surface to mount the press.
- Secure the press using the provided mounting hardware to prevent movement during operation.
- Ensure all components are correctly assembled according to the manufacturer's instructions.

### 2. Usage:

- Before starting, ensure you have all necessary materials: shotshells, primers, gunpowder, and

wads.

- Set the press to the appropriate settings for 20 gauge shells.
- Insert the primer feed system if using, ensuring it is correctly aligned and secured.
- Load the primer tray and check that it is functioning properly.
- Follow the stepbystep process for reloading shells as outlined in the manufacturer's instructions.
- Monitor the reloading process closely, ensuring no malfunctions occur.

### **3. After Use:**

- Clean the press after each use to prevent residue buildup.
- Store the press and all components in a secure location when not in use.
- Regularly check for any signs of wear or damage and address issues promptly.

## **Disposal Instructions**

- Dispose of any unused or expired components, such as primers and gunpowder, in accordance with local hazardous waste disposal regulations.
- Do not throw away hazardous materials in regular trash. Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEC 600 Jr. Mark V Shot Shell Press, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's official website.

Thank you for your attention to these safety instructions. Enjoy your reloading experience safely!
