

LOCK-N-LOAD CASE FEEDER & ACCESSORIES - LARGE RIFLE CASE FEEDER PLATE

[Reloading](#) > [Reloading Presses](#) > [Progressive Presses](#)

With Hornadys high volume Lock-N-Load® Case Feeder, the Lock-N-Load® AP™ just got faster. It has the highest torque motor in the industry and an extra large case bowl that makes it possible to load over 500 rounds of high quality ammunition per hour, depending on experience and proficiency. The Lock-N-Load® Case Feeder comes complete with everything you need except the case feeder plates, which are sold separately. Adapts to your Lock-N-Load AP Press Change overs are easy, usually take about 5 minutes

LOCKNLOAD CASE FEEDER & ACCESSORIES

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Hornady LOCKNLOAD CASE FEEDER & ACCESSORIES LARGE RIFLE CASE FEEDER PLATE. This product is designed to enhance your reloading experience by increasing efficiency and speed. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the workspace is clean and free from obstructions before operating the case feeder.
- Keep the case feeder out of reach of children and pets to prevent accidents.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Use the product only for its intended purpose as described in the user manual.
- In case of an emergency or malfunction, cease use immediately and disconnect from power.

Specific Safety Precautions for Use

- **Electrical Safety:**
 - Ensure that the power supply is compatible with the case feeder specifications.
 - Avoid using extension cords; connect the case feeder directly to a wall outlet.
- **Operational Safety:**
 - Do not overload the case feeder beyond its specified capacity.
 - Keep hands and loose clothing away from moving parts during operation.
 - Always ensure that the case feeder is turned off and unplugged when not in use or when performing maintenance.
- **Environment Safety:**
 - Use the case feeder in a wellventilated area to prevent the accumulation of fumes from ammunition components.
 - Avoid using the case feeder in damp or wet conditions to prevent electrical hazards.

Instructions for Installation and Usage

1. Installation:

- Unpack the LOCKNLOAD CASE FEEDER and all accessories.
- Place the case feeder on a stable, flat surface.
- Secure the case feeder to the LockNLoad AP Press as per the manufacturer's instructions.
- Ensure that all connections are tight and secure before proceeding.

2. Loading Cases:

- Carefully load the cases into the feeder bowl, ensuring they are oriented correctly.
- Adjust the feeder settings according to the type of ammunition being loaded.
- Turn on the case feeder and monitor the operation for any irregularities.

3. Operating the Case Feeder:

- Start the feeder and observe its operation for the first few minutes to ensure proper functioning.
- If any issues arise, turn off the machine immediately and troubleshoot or consult the manual.

- Maintain a safe distance from the feeder while it is in operation.

Disposal Instructions

- Dispose of the LOCKNLOAD CASE FEEDER and any accessories in accordance with local regulations.
- Do not dispose of electrical components in regular household waste; check for designated ewaste disposal sites in your area.
- Ensure that all materials are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions regarding the safe use of the LOCKNLOAD CASE FEEDER, please refer to the manufacturer's customer support resources. It is essential to stay informed about product recalls and safety updates, which can be found on the EU's Safety Gate platform.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Hornady LOCKNLOAD CASE FEEDER & ACCESSORIES. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention and for choosing Hornady products.
