

# SINCLAIR HEAVY VARMINT RESTS - SINCLAIR INTERNATIONAL ALL-PURPOSE HEAVY VARMINT AMBIDEXTROUS SHOOTING REST

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

The Sinclair Heavy Varmint Shooting Rest series is an evolution of our Generation II shooting rest (now discontinued) and our Competition Shooting Rest that's sought after by the best of today's benchrest competitors. The Heavy Varmint Shooting Rests feature fully upgraded hardware such as a heavy-duty stainless steel center column and 1" stainless post, oversized scalloped hand wheel with thrust bearing for ultra-smooth vertical adjustments, large ½"-20 thread rest feet with oversized aluminum anodized knobs (no plastic parts here), and a fully adjustable forend stop for shot-after-shot repeatability. The base itself is of ductile cast iron construction with a durable powder coat finish to last for a lifetime of use - exactly what you've come to expect from all Sinclair manufactured products. These shooting rests weigh up to 17 lbs with filled sand bag - designed to stay in its place on your bench top. The Sinclair Heavy Varmint Shooting Rests are available in 8 different configurations - ask any of our reloading and shooting techs for assistance selecting the model for your needs. Made right here...in the USA. Available in the following formats: The Sinclair Heavy Varmint Bench Rest model is designed for shooters who prefer using Protektor or Edgewood front sand bags. The rest top side plates allow the user to "pinch" the sand bag for subtle bag width adjustments. Purchase the front Protektor or Edgewood sand bag which best fits your forend width: sporter, varmint, or flat-bottomed B/R stock (front sand bag is not included with Sinclair Heavy Varmint Bench Rests, please see page xx and order separately). The Sinclair Heavy Varmint All-Purpose rest is designed with our versatile All-Purpose (A/P) Top which quick-adjusts to accommodate nearly any forend. Switch from narrow sporter stocks to 3-1/2" BR stocks with a turn of a lever. The Sinclair Heavy Varmint All-Purpose Rest includes a dual-sided leather/cordura sand bag (not filled). The Sinclair Heavy Varmint Basic Rest features a flat-top plate that accepts Protektor and Edgewood front sand bags, or perhaps another favorite brand. The flat-top plate allows for bags to be securely strapped. Front sand bag is not included with the Sinclair Heavy Varmint Rests, please see page xx and order separately. Both the Sinclair Heavy Varmint Bench Rest and Heavy Varmint All-Purpose Rest models are available in a windage topped version. This adds the convenience of quick-adjust horizontal movements for competitive shooting by turning the windage knob located on the side of the rest top. Available in both right-hand and left-hand shooter versions.

When ordering windage top versions, right-handed shooters will order a RIGHT-HAND rest and left-handed shooters will order a LEFT-HAND rest. The adjustment knob will be on the correct side to be adjusted with the shooter's off hand.

## Attributes

- Name: [SINCLAIR INTERNATIONAL ALL-PURPOSE HEAVY VARMINT AMBIDEXTROUS SHOOTING REST](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)

# Safety Instruction Guide for Sinclair Heavy Varmint Rests

## Introduction

Thank you for choosing the Sinclair Heavy Varmint Rests. This guide provides essential safety instructions and usage information to ensure a safe and effective shooting experience. Please read and understand this guide before using the product.

## General Safety Guidelines

- Ensure that the Sinclair Heavy Varmint Rest is used in accordance with all applicable local laws and regulations.
- Always inspect the rest for damage or wear before each use. Do not use if any parts are damaged.
- Keep the rest out of reach of children and unauthorized users.
- Use the rest only for its intended purpose, which is to support firearms during shooting.
- Be aware of your surroundings and ensure that the shooting area is clear of people and obstructions.
- Always wear appropriate safety gear, including eye and ear protection, when shooting.

## Specific Safety Precautions for Use

- **Stability:** Ensure that the rest is placed on a stable and level surface to prevent tipping or sliding during use.
- **Weight Limit:** Do not exceed the weight limit of the rest when using a filled sandbag. The rest is designed to support up to 17 lbs.
- **Adjustments:** Make all adjustments to the rest slowly and carefully to avoid sudden movements that could lead to accidents.
- **Sandbags:** Use only compatible sandbags (Protektor or Edgewood) for the bench rest model. Ensure that sandbags are securely positioned before use.
- **Windage Adjustments:** When using the windage feature, make adjustments while ensuring the firearm is pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Setting Up the Rest:

- Place the Sinclair Heavy Varmint Rest on a stable shooting bench.
- Ensure the surface is clean and dry to prevent slipping.

### 2. Adjusting the Rest:

- For vertical adjustments, use the oversized scalloped hand wheel. Turn it slowly for precise control.
- For windage adjustments (if equipped), turn the windage knob located on the side of the rest top.

### 3. Using Sandbags:

- Select the appropriate sandbag based on your forend width (sporter, varmint, flatbottomed B/R stock).
- Position the sandbag on the rest and adjust it using the top side plates to achieve a secure fit.

### 4. Shooting:

- Ensure that the firearm is securely positioned on the rest.

- Always check your surroundings before firing.
- Follow all standard firearm safety practices while shooting.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local recycling regulations.
- When the product reaches the end of its life, dispose of it responsibly. Check local guidelines for the disposal of metal and plastic components.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product support, please reach out to the manufacturer or your local authorized dealer. Ensure that you have the product information available for reference.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Sinclair Heavy Varmint Rests. Thank you for your attention to safety.
