

# COMPETITION BUSHING NECK DIES - COMPETITION BUSHING NECK DIE 28 NOSLER

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

## Attributes

- Name: COMPETITION BUSHING NECK DIE 28 NOSLER
- Manufacturer: REDDING
- Product no.: 749015878
- Mfr. No.: 56790
- Cartridge: 28 Nosler
- Die Style: Neck Die
- Delivery weight: 0.454kg
- Shipping height: 41mm
- Shipping width: 57mm
- Shipping length: 133mm
- UPC: 611760567902

# Safety Instruction Guide for Competition Bushing Neck Die 28 Nosler

## Introduction

Thank you for choosing the Competition Bushing Neck Die for 28 Nosler. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure the die is used only for its intended purpose.
- Always wear appropriate safety equipment, including safety glasses and gloves, when handling reloading equipment.
- Keep the die and all reloading components out of reach of children and unauthorized persons.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all manufacturer instructions for safe handling and usage.
- Report any unsafe products or accidents to your local authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the die only with the specified cartridge (28 Nosler) to prevent malfunction.
- Ensure that the cartridge case is free of obstructions before sizing to avoid injury or damage.
- Do not exceed the recommended sizing length to prevent case damage.
- Avoid using excessive force during the sizing process to prevent injury or equipment failure.
- Ensure that the decapping rod is properly aligned before use to avoid bending or breaking.
- Use only compatible bushings and shellholders, which are sold separately.

## Instructions for Installation and Usage

### 1. Installation:

- Secure the die in a reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.
- Insert the appropriate sizing bushing into the die.

### 2. Usage:

- Prepare the cartridge case by cleaning and inspecting it for defects.
- Insert the cartridge case into the die, ensuring it is fully seated.
- Gradually move the handle of the reloading press to begin the sizing process.
- Monitor the alignment of the decapping rod throughout the process.
- After sizing, remove the cartridge case and inspect it for proper sizing.

## Disposal Instructions

- Dispose of any damaged or wornout dies in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of any reloading components in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the safety or use of the Competition Bushing Neck Die, please refer to the manufacturer's website or contact their support team directly.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience!
