Safety Instruction Guide for Redding Range Adapter

Introduction

Thank you for choosing the Redding Range Adapter. This product allows the use of Redding Instant Indicators at the range or in the field without the need for a reloading press. To ensure your safety and the effective use of this product, please read and follow the safety instructions carefully.

General Safety Guidelines

- Always use the Redding Range Adapter in accordance with the manufacturer's instructions.
- Ensure that the product is used in a safe environment, free from hazards.
- Keep the product away from children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Check the EU Safety Gate platform for any recall updates on this product.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to inaccurate measurements or equipment failure.
 - Using the adapter in wet or damp conditions may cause malfunction.
- **Avoiding Hazards:**
 - Always ensure the adapter is securely attached before use.
 - Do not exceed the manufacturer's recommended limits for use.
 - Avoid using the product in extreme temperatures or conditions.
 - Do not modify or alter the adapter in any way.
- **Age and Audience Warnings:**
 - This product is intended for use by adults only. Keep it out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Redding Range Adapter is clean and free from debris.
- Attach the adapter securely to the Redding Instant Indicator according to the provided instructions.
- Verify that all connections are tight and secure before use.

2. Usage:

- Place the Redding Instant Indicator with the attached adapter on a stable surface.
- Follow the specific instructions for the Redding Instant Indicator to obtain accurate measurements.
- Always check the functionality of the adapter before each use.

3. PostUse:

- After use, detach the adapter from the Redding Instant Indicator.

- Clean the adapter and store it in a dry, safe place.
- Regularly inspect the adapter for any damage or wear.

Disposal Instructions

- Dispose of the Redding Range Adapter in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the Redding Range Adapter, please refer to the manufacturer's contact information provided with the product packaging.
