Safety Instruction Guide for PAN MEDIA SIFTER

Introduction

Thank you for choosing the PAN MEDIA SIFTER from MEC Reloading. This product is designed to make the process of separating brass from tumbling media simple and efficient. To ensure your safety and the proper use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always use the Pan Media Sifter in a wellventilated area.
- Ensure that the work surface is stable and free from clutter before use.
- Keep the Pan Media Sifter out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the Pan Media Sifter for purposes other than intended.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Awareness:** The Pan Media Sifter is designed for separating brass from tumbling media. Improper use may lead to injury or damage.
- **Avoid Overloading:** Do not exceed the recommended capacity of the sifter, as this may cause it to malfunction.
- **Proper Handling:** Always handle the sifter with care. Avoid dropping or throwing the product.
- **Personal Protective Equipment:** Consider wearing safety glasses to protect your eyes from any flying debris during the sifting process.

Instructions for Installation and Usage

1. Setup:

- Choose a clean and stable surface for operation.
- Place a suitable container underneath the sifter to catch the sifted media.

2. Using the Pan Media Sifter:

- Empty the tumbler contents into the pan sifter.
- Securely hold the handles of the sifter.
- Shake the pan sifter several times to allow the media to fall through.
- Observe as the media falls through the sifter pan, leaving behind only the cleaned and polished brass.

3. PostUse:

- After use, clean the sifter to remove any residue.
- Store the Pan Media Sifter in a dry place away from direct sunlight.

Disposal Instructions

- Dispose of any waste materials in accordance with local regulations.
- Do not dispose of the Pan Media Sifter in household waste. Check with local recycling programs for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of the Pan Media Sifter, please consult the manufacturer's contact points or visit the official website for further support.

Thank you for your attention to these safety guidelines. Enjoy using your PAN MEDIA SIFTER!
