# Safety Instruction Guide for the Rotary Media Sifter

## Introduction

Thank you for choosing the Rotary Media Sifter from MEC Reloading. This product is designed to efficiently separate clean brass from media, allowing you to return to your reloading tasks quickly. To ensure your safety and the longevity of the product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always supervise children when using or near the Rotary Media Sifter.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any abnormalities during operation, cease use immediately and consult the manufacturer.
- Follow all local regulations regarding the use and disposal of reloading materials.

## Specific Safety Precautions for Use

- Do not overload the middle hopper with brass and media; follow the recommended capacity to avoid jams.
- Keep hands and loose clothing away from moving parts when operating the handle.
- Avoid using the sifter in wet conditions or with wet media to prevent electrical hazards.
- Ensure that the workspace is clear of obstructions to prevent tripping or accidents.
- Do not attempt to modify or repair the sifter without consulting the manufacturer.

## Instructions for Installation and Usage

### 1. Installation:

- Place the Rotary Media Sifter on a stable, flat surface.
- Ensure that the area around the sifter is clear and accessible for safe operation.

### 2. Usage:

- Pour clean brass and media into the middle hopper.
- Close the hopper securely.
- Rotate the handle clockwise to begin the separation process.
- Continue rotating until the brass is fully separated from the media.
- Open the hopper to collect the separated brass and media.

## Disposal Instructions

- Dispose of any used media according to local regulations.
- Recycle brass components where possible.
- Do not dispose of the product in regular household waste. Follow local guidelines for electronic waste disposal.

## Contact Information for Further Support

For any safety inquiries or concerns regarding your Rotary Media Sifter, please refer to the manufacturer's contact information provided with your product packaging.

By adhering to these guidelines, you can ensure a safe and effective experience with your Rotary Media Sifter. Always prioritize safety and follow the instructions carefully. Thank you for your attention to these important safety measures.
