

BUSHING FULL LENGTH DIES - L.E. WILSON 6MM DASHER BUSHING FULL LENGTH SIZING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Wilson Bushing Type Full Length Sizing Die. This die will allow you to size the case neck to your desired neck tension along with sizing down the rest of the case body at the same time. Die includes an adjustable depth decapping rod. An extra Decapping Punch is included. These dies do not contain an expander. Made of High Quality Heat Treated Steel. These Full Length Bushing dies mimic the neck sizing of Wilsons' neck sizing dies and are designed to leave 3/16" at the bottom of the case neck unsized, a practice many shooters prefer and find to be more accurate than sizing the full neck. Mad from High Quality Material - Hardened to L.E. Wilson Specifications Harder than a Grade 8 Bolt Interchangeable Bushings Standard 7/8ths Reloading Press Sizes Shoulder and Body Dimensions Stainless Parts for a Long Lasting Finish Durable and Accurate L.E. Wilson manufactured lock nut - thickness is .225" from inside to outermost edge .270" for height and 1.250" total width OD. Neck Bushing sold separately, we suggest using LE Wilson Neck bushings but Redding bushings will also fit.

Safety Instruction Guide for BUSHING FULL LENGTH DIES L.E. WILSON 6MM DASHER

Introduction

Thank you for choosing the BUSHING FULL LENGTH DIES L.E. WILSON 6MM DASHER. This product is designed to provide precise sizing for your reloading needs. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines essential safety guidelines, specific precautions, installation instructions, and disposal information.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Do not modify the die or use it for purposes other than intended.
- Store the die in a cool, dry place to prevent rust and damage.

Specific Safety Precautions for Use

- Ensure that your reloading press is compatible with the die (Standard 7/8ths Reloading Press).
- Use only L.E. Wilson neck bushings or compatible Redding bushings to ensure proper fit and function.
- Do not exceed the recommended sizing specifications for the die.
- Be cautious when adjusting the decapping rod; ensure it is securely locked in place before use.
- Avoid placing fingers near moving parts during operation to prevent injury.
- Always follow the recommended procedures for case preparation and handling.

Instructions for Installation and Usage

1. Installation

- Securely attach the BUSHING FULL LENGTH DIE to your reloading press, ensuring it is properly aligned.
- Insert the adjustable depth decapping rod into the die and adjust to the desired depth.
- Ensure that the die is tightened using the L.E. Wilson manufactured lock nut.

2. Usage

- Prepare your cases by cleaning and inspecting them for any defects.
- Place the case into the die and raise the press handle to initiate sizing.
- Monitor the sizing process; ensure the die is functioning correctly and the case is being sized uniformly.
- After sizing, remove the case and check for proper neck tension and overall dimensions.
- If necessary, adjust the neck bushing to achieve the desired neck tension.

Disposal Instructions

- Dispose of any worn or damaged dies in accordance with local regulations regarding metal and hazardous waste.
- Do not discard the product in regular household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries or further assistance regarding the BUSHING FULL LENGTH DIES L.E. WILSON 6MM DASHER, please consult the product packaging or retailer for appropriate contact information.

Please remember to report any unsafe products or incidents to the relevant authorities and check for recall updates regularly. Your safety is our priority. Thank you for your attention to these important guidelines.
