# Safety Instruction Guide for Replacement Expander Balls

## Introduction

Thank you for choosing the Replacement Expander Balls from Forster Products, Inc. This guide provides essential safety instructions and usage guidelines to ensure your safety and the effective operation of the product. Please read this guide carefully before using the expander balls.

## General Safety Guidelines

- Always use the Replacement Expander Balls in accordance with the manufacturer's instructions.
- Ensure that the product is used in a safe environment, free from distractions and hazards.
- Keep the expander balls out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the expander balls only with compatible Forster "EZ" Out Dies.
- Do not exceed the recommended bullet diameter when using the expander balls.
- Handle all reloading components with care to avoid injury.
- Wear appropriate safety gear, including safety glasses and gloves, during the reloading process.
- Ensure that your workspace is wellventilated to avoid inhalation of any dust or debris.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials for reloading.
- Ensure that the work area is clean and organized.

### 2. Installation of Expander Balls:

- Remove the die from the reloading press.
- Carefully unscrew the existing expander ball from the die.
- Install the new Replacement Expander Ball by screwing it into place securely.
- Ensure that the expander ball is properly seated to avoid any operational issues.

### 3. Usage:

- Insert the bullet into the case as per standard reloading procedures.
- Operate the press to expand the case mouth using the expander ball.
- Check the bullet tension to ensure it meets the specifications (approximately 0.002 inches).
- If necessary, make adjustments to the die setup for optimal performance.

### 4. PostUse:

- After completing the reloading process, clean the expander balls and other tools to maintain their condition.
- Store the expander balls in a dry, safe place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or wornout expander balls in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling or hazardous waste facility.

## **Contact Information for Further Support**

For safety inquiries or additional support, please reach out to your local authorized dealer or visit the manufacturer's website for more information.

By following these safety instructions and guidelines, you can help ensure a safe and effective reloading experience with the Replacement Expander Balls from Forster Products, Inc. Thank you for prioritizing safety in your reloading practices.
