Safety Instruction Guide for Replacement Expander Balls

Introduction

Thank you for choosing the Replacement Expander Balls from Forster Products, Inc. This product is designed to enhance your reloading experience by providing reliable bullet tension. To ensure your safety and the effective use of this product, please read and follow these guidelines carefully.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading equipment.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the expander balls only with compatible reloading dies.
- Do not exceed the recommended bullet diameter when selecting expander balls.
- Ensure that the expander ball is securely installed before use to prevent accidents.
- Avoid using damaged or worn components, as they may compromise safety and performance.
- Store the product in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Installation

- Ensure that your reloading die is clean and free from debris.
- Carefully remove the existing expander ball from the die, if applicable.
- Select the appropriate Replacement Expander Ball (0.276 inches) for your bullet diameter.
- Insert the new expander ball into the die, ensuring it is seated properly.
- Tighten any screws or fittings to secure the expander ball in place.

2. Usage

- Set up your reloading press according to the manufacturer's guidelines.
- Load the bullet into the case and position it under the die.
- Activate the press to expand the case mouth with the installed expander ball.
- Check the bullet tension to ensure it meets your specifications (aim for .002 inches).
- Repeat the process for each cartridge you are reloading.

Disposal Instructions

- Dispose of any damaged or unusable expander balls in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- Ensure that all components are properly disposed of to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the Replacement Expander Balls, please refer to the manufacturer's website or contact your local distributor for assistance. Always ensure that you have the product details available when seeking support.

By following these guidelines, you can ensure a safe and effective reloading experience with the Replacement Expander Balls from Forster Products, Inc. Thank you for your attention to safety.
