# Safety Instruction Guide for Replacement Expander Balls

## Introduction

Thank you for purchasing the Replacement Expander Balls from Forster Products, Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before use to understand how to handle and install the expander balls safely.

## General Safety Guidelines

- Always use the product as intended, following the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage before use. Do not use damaged products.
- Store the product in a cool, dry place away from direct sunlight to prevent deterioration.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the expander balls are compatible with your "EZ" Out Die before installation.
- Handle the expander balls with care to avoid injury. They are small and can be easily lost.
- Do not exceed the recommended bullet diameter when using the expander balls to avoid potential hazards.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the product.
- Ensure that your workspace is clean and free from distractions while installing or using the expander balls.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and equipment before starting the installation.
- Ensure your "EZ" Out Die is clean and free of debris.

### 2. Installation

- Remove the existing expander ball from the die if applicable.
- Select the appropriate Replacement Expander Ball based on the bullet diameter.
- Carefully insert the Replacement Expander Ball into the die, ensuring it is seated properly.
- Tighten any screws or fasteners to secure the expander ball in place.

### 3. Usage

- Follow the standard operating procedures for your "EZ" Out Die when using the expander balls.
- Monitor the tension and ensure that the expander balls are functioning correctly during use.
- If you notice any irregularities or issues, stop using the product immediately and inspect it.

## Disposal Instructions

- Dispose of any damaged or unusable expander balls in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions, concerns, or support related to the Replacement Expander Balls, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to using our products responsibly.
