

# 45 AUTO RIM BRASS - STARLINE 45 AUTO RIM BRASS 100/BAG

[Reloading](#) > [Brass](#) > [Pistol Brass](#)

The .45 Auto Rim has an extra thick rim that allows it to be used without a moon clip in revolvers designed for .45 Auto/moon clip combination. It is built with the same integrity as Starlines 45 Colt case. THIS CASE WILL NOT WORK IN SINGLE ACTION REVOLVERS CHAMBERED FOR .45 AUTO Starline is a family owned business and prides itself on producing the highest quality brass case available. With a production process focused on quality not quantity, Starline makes the finest brass and has for more than 40 years out of their state-of-the-art manufacturing facility in Sedalia, MO.

# Safety Instruction Guide for 45 AUTO RIM BRASS STARLINE 45 AUTO RIM BRASS 100/BAG

## Introduction

Thank you for choosing the 45 AUTO RIM BRASS STARLINE product. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the product and keep it for future reference.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always follow the manufacturer's instructions for your firearm.
- Store this product in a cool, dry place away from direct sunlight and moisture.
- Keep out of reach of children and unauthorized users.
- Regularly check for any signs of damage or wear before use.
- Dispose of any damaged or defective brass cases properly.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- This product is designed for use in revolvers that are compatible with .45 Auto Rim cartridges. Ensure your firearm is suitable for this type of ammunition.
- Do not use this product in singleaction revolvers chambered for .45 Auto, as it may not function correctly.
- Always wear appropriate eye and ear protection when handling firearms.
- Avoid handling ammunition when you are tired, distracted, or under the influence of drugs or alcohol.
- Check the brass cases for any signs of defects, such as cracks or deformities, before loading them into your firearm.
- Follow safe loading and unloading practices to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Inspect the Brass Cases:

- Check each brass case for any visible damage or defects.
- Do not use any cases that appear damaged.

### 2. Loading the Brass Cases:

- Ensure the firearm is pointed in a safe direction.
- Open the cylinder of your revolver.
- Load the brass cases into the chambers, ensuring they are seated properly.

### 3. Firing:

- Confirm that the area is clear of obstructions and that you are in a safe environment to fire.
- Follow your firearm's specific instructions for firing.

### 4. Unloading the Brass Cases:

- After firing, open the cylinder of your revolver.
- Eject the spent brass cases carefully, ensuring that the firearm is always pointed in a safe direction.

## **5. Cleaning and Maintenance:**

- Clean your firearm according to the manufacturer's guidelines after use.
- Inspect the brass cases for reloading, ensuring they meet safety standards.

## **Disposal Instructions**

- Dispose of any damaged or spent brass cases in accordance with local regulations.
- Do not discard brass cases in regular household waste.
- Consider recycling the brass cases if local facilities are available.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 45 AUTO RIM BRASS STARLINE product, please refer to the manufacturer's contact information provided on the packaging or visit their official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with the 45 AUTO RIM BRASS STARLINE product. Always prioritize safety and adhere to local laws and regulations regarding firearm usage. Thank you for choosing our product, and stay safe!
