

TRIPLE-SHOCK X 22 CALIBER (0.224") BULLETS - BARNES BULLETS TSX 22 CALIBER (0.224") BOAT TAIL 78GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

TRIPLESHOCK X 22 CALIBER BULLETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TRIPLESHOCK X 22 CALIBER (0.224") BULLETS from BARNES BULLETS. This product is designed for highperformance hunting applications. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when handling or shooting bullets.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 22 caliber ammunition before use.
- Inspect your firearm for any defects or obstructions before loading bullets.
- Do not use bullets that show signs of corrosion, damage, or any irregularities.
- Avoid overloading your firearm; adhere to the manufacturer's specifications for maximum load.
- Do not point the firearm at anything you do not intend to shoot.
- Be cautious of ricochets and ensure a proper backstop is in place when shooting.
- Do not consume alcohol or drugs before or while handling firearms or ammunition.

Instructions for Installation and Usage

- **Loading Bullets:**
 - Ensure your firearm is pointed in a safe direction and is on safe mode.
 - Open the action of your firearm and visually inspect the chamber to confirm it is clear.
 - Insert the TRIPLESHOCK X 22 CALIBER bullet into the chamber or magazine as per the firearm's instructions.
- **Firing:**
 - Once loaded, ensure you are in a safe shooting position.
 - Set your firearm to fire mode.
 - Aim at your target and gently squeeze the trigger to fire.
- **PostFiring:**
 - After firing, always check the firearm's chamber to ensure it is clear.
 - Store the firearm and bullets safely as per the guidelines above.

Disposal Instructions

- Follow local regulations for the disposal of ammunition and spent casings.
- Do not dispose of bullets in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the TRIPLESHOCK X 22 CALIBER BULLETS, please consult your local retailer or manufacturer.

By adhering to these safety guidelines, you can ensure a safer experience while using the TRIPLESHOCK X 22 CALIBER BULLETS. Thank you for your attention to these important instructions.
