KEYPAD SAFE XL Safety Instruction Guide

Introduction

Thank you for choosing the KEYPAD SAFE XL by SnapSafe. This product is designed to provide secure storage for firearms and other valuables. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the safe is placed in a location that is out of reach of children and unauthorized individuals.
- Regularly check the safe for any signs of damage or wear.
- Do not attempt to modify or repair the safe yourself. Contact a professional for assistance.
- Always keep the safe locked when not in use.
- Be aware of your surroundings when accessing the safe, especially in public or shared spaces.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for use by children under 18 years of age. Ensure that it is stored in a secure location away from minors.
- **Material Safety:** The safe is made of steel. Handle with care to avoid cuts or injuries from sharp edges.
- **Weight Considerations:** Ensure that the surface where the safe is placed can support its weight. Avoid placing it on unstable or uneven surfaces.
- **Environmental Conditions:** Keep the safe in a dry environment to prevent rusting and deterioration of the locking mechanism.

Instructions for Installation and Usage

1. Choosing a Location:

- Select a secure and discreet location for the safe, such as under a bed, in a closet, or under a desk.
- Ensure the location is easily accessible for you but hard for unauthorized users to find.

2. Installation:

- Use the provided mounting hardware to secure the safe to a wall or floor if necessary.
- Ensure that the safe is anchored properly to prevent it from being moved or stolen.

3. Using the Keypad:

- To unlock, enter your personal code on the keypad.
- Ensure that the code is kept confidential and is not shared with others.
- If you forget your code, refer to the manufacturer's instructions for resetting the keypad.

4. Storing Items:

- Place firearms and valuables inside the safe in a manner that prevents them from moving around.
- Ensure that all items are stored securely and are not protruding from the safe.

5. Locking the Safe:

- After use, always close and lock the safe to ensure its contents remain secure.
- Test the locking mechanism to ensure it is functioning properly.

Disposal Instructions

- When disposing of the safe, ensure that it is done in accordance with local regulations regarding the disposal of metal products.
- If the safe is no longer functional, consider recycling it at a local metal recycling center.
- Remove any personal items or sensitive information from the safe before disposal.

Contact Information for Further Support

For any inquiries regarding safety, usage, or potential hazards associated with the KEYPAD SAFE XL, please refer to the manufacturer's customer support resources or visit the official SnapSafe website.

By following these guidelines, you can ensure the safe and effective use of your KEYPAD SAFE XL. Thank you for prioritizing safety in your storage solutions.
