

OIL WIPES - REMINGTON REM OIL WIPES 12-PACK

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Penetrates into the smallest metal pores, then leaves a tough, long-lasting film to help reduce metal-to-metal wear. Quickly displaces even microscopic traces of water for advanced moisture resistance and rust protection. Pre-moistened, disposable towelettes are ideal for wiping down your firearm after a hard day in the field or at the range.

OIL WIPES REMINGTON REM OIL WIPES 12PACK

Safety Instructions

Introduction

Thank you for choosing Remington Oil Wipes. These premoistened, disposable towelettes are designed to help maintain your firearm by penetrating metal pores, reducing wear, and providing moisture resistance and rust protection. For your safety and optimal use, please read and follow these instructions carefully.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Be aware of potential hazards associated with improper use.
- Regularly check for recall updates on the EU's Safety Gate platform.
- Report any unsafe products or accidents to your local authorities.

Specific Safety Precautions for Use

- Use only as directed for cleaning and maintaining firearms.
- Avoid contact with eyes and skin. If contact occurs, rinse immediately with plenty of water.
- Do not ingest. If swallowed, seek medical attention immediately.
- Store in a cool, dry place away from direct sunlight and heat sources.
- Do not use on surfaces that are not intended for oil application.
- Ensure the area is wellventilated when using the wipes to avoid inhalation of fumes.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather all necessary materials, including the oil wipes and a clean cloth for drying if needed.

2. Using the Wipes:

- Open the package and remove one wipe.
- Wipe down the metal surfaces of your firearm with the moistened side of the wipe.
- For best results, ensure that all areas are covered, especially those prone to rust or wear.
- Allow the film to dry on the surface for optimal protection.

3. PostUse:

- Dispose of used wipes in accordance with local waste disposal regulations.
- Wash your hands thoroughly after use.

Disposal Instructions

- Dispose of used oil wipes in accordance with local regulations for hazardous waste.
- Do not flush wipes down the toilet.
- Ensure that wipes are kept in a sealed bag if disposal is not immediate to prevent contamination or accidental exposure.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to the designated contact point provided with your product packaging or visit the manufacturer's website for further assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective experience while using Remington Oil Wipes. Thank you for choosing our product, and enjoy the protection it provides for your firearm.
