

REMOIL - REMINGTON REM OIL 1OZ DROPPER BOTTLE

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Advanced formula cleans, lubricates and protects your valuable firearms so they'll keep running smoothly and looking like new. Penetrates into the smallest metal pores, then leaves a tough, long-lasting film to help reduce metal-to-metal wear. Quickly displaces even microscopic traces of water for advanced moisture resistance and rust protection. Available in bottles or aerosol cans for a variety of different applications. Plastic bottles dispense oil one-drop at a time, especially useful when lubricating small individual parts. Aerosol spray works great on large areas like actions; includes a straw to direct oil into those hard-to-reach areas. Pre-moistened, disposable towelettes are ideal for wiping down your firearm after a hard day in the field or at the range.

Consumer Safety Instruction Guide for REMOIL REMINGTON 1 OZ. REM OIL DROPPER BOTTLE

Introduction

Thank you for choosing the REMOIL REMINGTON 1 OZ. REM OIL DROPPER BOTTLE. This advanced formula is designed to clean, lubricate, and protect your firearms, ensuring they operate smoothly and maintain their appearance. This guide provides essential safety instructions to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe handling and usage of the product.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in the instructions.
- Regularly check for any product recalls or safety alerts via the EU Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always use the product in a wellventilated area to avoid inhalation of vapors.
- Avoid contact with skin and eyes. In case of contact, rinse immediately with plenty of water and seek medical advice.
- Do not ingest the product. If swallowed, seek medical attention immediately.
- Keep the product away from open flames and sources of ignition.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling the product.

Instructions for Installation and Usage

- **Using the Dropper Bottle:**
 - Open the bottle by twisting the cap counterclockwise.
 - Hold the bottle vertically and gently squeeze to dispense one drop of oil at a time.
 - Apply oil to the specific parts of your firearm as needed, ensuring even coverage.
 - Close the bottle securely after use to prevent leakage.
- **Using the Aerosol Spray:**
 - Shake the aerosol can before use.
 - Hold the can upright and aim the nozzle towards the area to be treated.
 - Press the nozzle to spray a fine mist over the surface.
 - Use the included straw for precision application in hardtoreach areas.
 - Allow the product to dry before handling the firearm.
- **Using PreMoistened Towelettes:**
 - Remove a towelette from the package.
 - Wipe down the surface of the firearm to remove dirt and moisture.
 - Dispose of the used towelette in accordance with local waste disposal regulations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not pour the product down the drain or throw it in the trash.
- For empty containers, check with local waste management for proper disposal methods.
- Ensure that used towelettes are disposed of properly to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the manufacturer's contact details provided on the packaging or the official website.

Thank you for your attention to these safety instructions. Your safety and the proper use of this product are our top priorities.
