

# **35 WHELEN FITTED BARREL FOR LARGE RING MAUSER 98 - SHILEN**

## **.35 WHELEN 25 1-14 #3 CONTOUR CM STEEL BBL**

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

A "no lathe" way to turn a surplus Large Ring 98 into a sporter. Already threaded with the chamber left slightly short. After installation, use a hand-turned finish reamer to deepen until headspace is perfect. (Reamer and Headspace Gauges required.) Made to our specifications by Shilen.

# Safety Instruction Guide for 35 WHELEN FITTED BARREL FOR LARGE RING MAUSER 98 SHILEN

## Introduction

Thank you for purchasing the 35 Whelen Fitted Barrel for Large Ring Mauser 98 Shilen. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully and follow all instructions to minimize risks.

## General Safety Guidelines

- Ensure that all safety guidelines are followed to prevent accidents and injuries.
- Always treat the barrel and associated firearms with respect and caution.
- Store the barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure the firearm is unloaded before installing or handling the barrel.
- Be aware of the potential hazards associated with firearms, including accidental discharge.
- Use a handturned finish reamer only as instructed to avoid damaging the barrel.
- Ensure that headspace is checked with appropriate gauges to prevent catastrophic failure.
- Keep the work area clean and free of distractions during installation and usage.
- Do not use the barrel if it shows any signs of damage or abnormal wear.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including the handturned finish reamer and headspace gauges.
- Ensure you have a clean and safe workspace to perform the installation.

### 2. Installation Steps

- Remove the existing barrel from the Large Ring Mauser 98.
- Thread the new barrel into the action, ensuring it is properly aligned.
- Leave the chamber slightly short as designed.
- Use the handturned finish reamer to deepen the chamber until the headspace is confirmed to be perfect.
- Regularly check headspace during the reaming process to ensure safety.

### 3. PostInstallation Checks

- After installation, visually inspect the barrel and the firearm for proper fit and alignment.
- Perform a function check to ensure the firearm operates correctly with the new barrel.
- Test fire the firearm in a controlled environment to ensure proper performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If the barrel becomes damaged beyond repair, contact your local waste management authority for proper disposal methods.
- Never dispose of firearms or firearm components in regular trash.

## Contact Information for Further Support

For any inquiries or concerns regarding safety or product performance, please contact the manufacturer or an authorized dealer. Ensure you have your product details ready for a more efficient response.

Thank you for prioritizing safety while using the 35 Whelen Fitted Barrel for Large Ring Mauser 98 Shilen. Your adherence to these guidelines helps ensure a safe and enjoyable experience.
