# Safety Instruction Guide for GUNSMITH HAMMER HEADS & HANDLES

## Introduction

Thank you for choosing the GUNSMITH HAMMER HEADS & HANDLES from Brownells, Inc. This guide provides essential safety information to ensure the safe and effective use of the product. Please read this guide carefully before using the hammer heads and handles to avoid any potential hazards.

## General Safety Guidelines

- Always inspect the hammer heads and handles before use for any signs of damage or wear.
- Use the product only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure a clean and dry working environment to prevent slips and accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the hammer.
- If you experience any discomfort or pain while using the product, stop using it immediately and consult a professional.

## Specific Safety Precautions for Use

- **Hammer Heads:**

- Ensure that the hammer head is securely attached to the handle before use.
- Do not use a hammer head that shows signs of cracking, chipping, or other damage.
- Use the correct hammer head material for the task at hand to prevent damage to the workpiece or injury to yourself.

- **Handles:**

- Check the handle for any splinters or cracks before use.
- Ensure that the handle fits comfortably in your hand to maintain a secure grip.
- Do not apply excessive force that could lead to breakage or loss of control.

## Instructions for Installation and Usage

- **Installation of Hammer Heads:**

1. Choose the appropriate hammer head based on your task requirements.
2. Align the hammer head with the handle.
3. Securely attach the hammer head by threading it onto the handle or pinning it as required.
4. Ensure that the connection is tight and stable before use.

- **Using the Hammer:**

1. Hold the hammer firmly by the handle, ensuring a secure grip.
2. Position the hammer head against the workpiece at the desired angle.
3. Strike gently at first to ensure proper alignment, then apply more force as needed.
4. Avoid striking hard surfaces that may cause the hammer head to chip or break.

## **Disposal Instructions**

- Dispose of any damaged or wornout hammer heads and handles in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, check for local recycling programs that accept tools and equipment.
- Ensure that any hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the GUNSMITH HAMMER HEADS & HANDLES, please refer to the contact details provided with your product packaging or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safe and effective experience with the GUNSMITH HAMMER HEADS & HANDLES. Thank you for your attention to safety!
