# Safety Instruction Guide for Brownells Gunsmith Hammer Heads & Handles

## Introduction

Thank you for choosing the Brownells Gunsmith Hammer Heads & Handles. These highquality tools are designed to meet the needs of both professionals and hobbyists in the field of gunsmithing. To ensure safe and effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the hammer heads and handles for any signs of damage or wear before use.
- Keep the tools out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the hammer.
- Be aware of your surroundings and ensure that no one is in the vicinity of your work area while using the hammer.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Hammer Heads:**
  - Use the appropriate hammer head material for your specific task to avoid damage to the firearm or tools.
  - Avoid using a hammer head that shows signs of cracking, chipping, or other damage.
- **Handles:**
  - Ensure that the handle is securely attached to the hammer head before use.
  - Do not use the hammer with a handle that is cracked or splintered.
- **General Use:**
  - Always strike the hammer head squarely to avoid glancing blows, which could cause injury or damage.
  - Do not use excessive force when striking; apply only the necessary pressure to complete the task.

## Instructions for Installation and Usage

### 1. Installation of Hammer Heads:

- Ensure that the hammer handle is clean and free from debris.
- Align the hammer head with the handle, ensuring a snug fit.
- Secure the hammer head to the handle using the pinned and threaded system provided.
- Check that the hammer head is firmly attached before use.

### 2. Usage Instructions:

- Hold the hammer by the handle with a firm grip.
- Position the hammer head over the area where you intend to strike.
- Swing the hammer in a controlled manner, ensuring that your swing path is clear of obstructions

- and individuals.
- After use, clean the hammer heads and handles to maintain their condition.

## **Disposal Instructions**

- Dispose of any damaged or worn hammer heads and handles according to local regulations.
- Do not dispose of the product in household waste. Instead, check with local waste management for appropriate disposal methods.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the Brownells Gunsmith Hammer Heads & Handles, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your Brownells Gunsmith Hammer Heads & Handles. Always prioritize safety and report any concerns to the appropriate authorities. Thank you for your attention to these guidelines.
