Safety Instruction Guide for Brownells Gunsmith Hammer Heads & Handles

Introduction

Thank you for choosing the Brownells Gunsmith Hammer Heads & Handles. This guide provides essential safety instructions to ensure the safe and effective use of your tools. Please read and follow these guidelines carefully to prevent accidents and injuries.

General Safety Guidelines

- Always inspect the hammer heads and handles before use for any signs of damage or wear.
- Use the hammer heads and handles only for their intended purpose as described in this manual.
- Keep tools out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tools.
- Do not use the hammer heads if they are cracked, chipped, or otherwise damaged.
- Ensure your workspace is clean, welllit, and free from hazards before using the tools.
- Store the hammer heads and handles in a dry place to prevent corrosion and damage.

Specific Safety Precautions for Use

- Always use the correct hammer head for the job to avoid damaging the workpiece or the tool.
- When using the hammer, maintain a firm grip on the handle and ensure your hands are clear of the striking area.
- Avoid using excessive force; if the hammer is not driving the pin or part, reassess the situation.
- Do not strike hard surfaces directly with the hammer heads; use appropriate materials to protect both the hammer and the workpiece.
- Be cautious of flying debris when striking with the hammer.
- If using the hammer for delicate tasks, consider using softer materials to prevent damage to sensitive components.

Instructions for Installation and Usage

• Installation of Hammer Heads:

1. Select the appropriate hammer head for your task.
2. Ensure the head is securely attached to the handle.
3. If the head is threaded, tighten it according to the manufacturer's specifications.

• Usage Instructions:

1. Hold the hammer by the handle with a firm grip.
2. Position the hammer head over the target area.
3. Swing the hammer in a controlled manner, ensuring your hands and body are clear of the striking path.
4. After use, clean the hammer head and handle to remove any debris or residue.

Disposal Instructions

- Dispose of any damaged or worn hammer heads and handles in accordance with local regulations.
- Do not dispose of tools in regular household waste; check for recycling options for metal and plastic components.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's website or contact your local distributor.

By following these guidelines, you can ensure a safe and effective experience with your Brownells Gunsmith Hammer Heads & Handles. Thank you for your attention to safety, and enjoy your tools!
